The issuance of this permit is conditioned upon compliance with all facets of the approved permit application and/or the subdivision plan from which this lot was created, to include, but not be limited to, soil erosion controls, stormwater management, grading plan, monument placing and all other details of the subdivision approval.

If, upon inspection, work is being done other than as approved, a Stop Work Order will be issued with the condition that corrections be made before any work is resumed.

If it is necessary to make a change, the proposed change shall be detailed by the applicant and submitted in writing. A written approval must be received prior to proceeding, as requested. Failure to procure written change approval will result in an obligation to construct as originally approved.

When inspection for a Use and Occupancy Permit is made and it is noted that the provisions of the permit issuance and/or subdivision approval have not been accomplished, a Use and Occupancy Permit will NOT be issued.

REQUIRED SUBMISSIONS
RESIDENTIAL – ADDITIONS/NEW CONSTRUCTION
(IF APPLICABLE)

Items required by West Bradford Township to comply with the Uniform Construction Code of Pennsylvania.
Submit two (2) complete sets of the following:

- **Site Plans** – a site plan is required that indicates the location of each building as it relates to other structures, property lines and public ways.
- **Street Opening Permit** – Driveways and/or access roads entering onto state highways require Pendot permits prior to building permit.
- **Construction Plans** – Please provide two (2) complete sets of all construction documents. Plans should bear the original signature and seal of a Pennsylvania registered design professional. Please provide plans of adequate scale to clearly discern all notes, details and drawings. Plans drawn to ¼ scale will often satisfy the requirement.
- **Plumbing Plans** – Please provide detailed plumbing plans. This should include pipe sizing, pitch, length of run, etc. Plumbing plans should include drain, waste, vent domestic water, and gas piping and type of material to be used.
- **Mechanical Plans** – Please provide mechanical plans and calculations. Please indicate on plans the duct size, type and CFM per register. Unit specifications should also be included.
- **Energy Code** – Please provide energy code data. This may be submitted in any fashion permitted by the International Energy Conservation Code. In our experience the ResCheck software, available free from the Department of Energy, is an excellent (and easy) means of designing a buildings energy package. It can be found online at: <http://www.energycodes.gov>
- **Electric** – Please provide an electrical layout plan. Plans must be submitted to an approved electrical underwriter for plan review. Resubmit signed copies to the township. The underwriter is also responsible to conduct rough and final inspections.
- **Engineered Products** – Please provide specifications on all engineered wood products. Roof truss plan, engineered beams, floor trusses (open-web, or I-joint type), engineered layout plans and certifications, signed & sealed by a design professional.
- **Liability Statement** – Must be signed by homeowners or authorized agent and returned with application.

Code data summary – the code data for the building is required to be on the plans. For your reference, the current adopted codes are as follows:

2009 International Residential Code (IRC)
2009 National Electrical Code (NEC)
2009 International Fire Code (IFC)
2009 International Energy Conservation Code (IECC)

****NOTE:** Some codes have been amended; please contact the Township for a complete copy for the local amendments.

*****NOTE:** If a design or construction contract for proposed work was signed between December 31, 2006 and December 30, 2009, the **2006 International Codes** must be complied with.

When the above information is received, this office will complete the plan review. If you have any questions or require any additional information, contact West Bradford Township at 610-269-4174.
