

WEST BRADFORD TOWNSHIP  
Chester County, Pennsylvania

RESOLUTION # 05-14

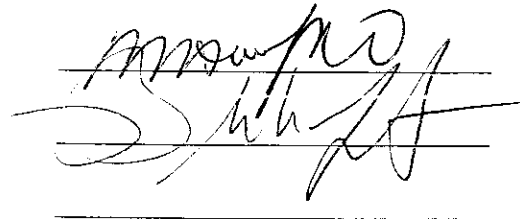

WHEREAS, Developer has approval for the construction of the development known as "Dupont" in West Bradford Township, Chester County, and the wastewater treatment plant for the project has a DEP Part 2 permit, number 1504904, for the Dupont Property wastewater treatment plant which will serve the Dupont Property, and

WHEREAS, Developer, thru its consultants, will prepare an application for a Pump and Haul permit to be submitted to the Pennsylvania Department of Environmental Protection (PADEP) for the wastewater generated by a portion of "Dupont", and

WHEREAS, Developer proposes in the application that the wastewater from a portion of the Dupont Property be hauled to and accepted for treatment and disposal at a Pennsylvania Department of Environmental Protection (PADEP) approved wastewater treatment plant, and Developer has assured West Bradford Township that the wastewater will be accepted there.

NOW THEREFORE, be it resolved that West Bradford Township hereby supports a temporary "pump and haul" issued by the Pennsylvania Department of Environmental Protection (PADEP) for the interim disposal and treatment of up to 6,875 gallons from Phase 1 and 6,875 gallons from Phase 4, (1 model home x 50 gal. per day and 26 homes x 262.5 gal. per day), from Phase 1, and (1 model home x 50 gal. per day and 26 homes x 262.5 gal. per day), from Phase 4, for a term of up to 18 months.

Approved by the board of Supervisors of West Bradford Township on this 26<sup>th</sup> day of April, 2004.
