

STANDARD OPERATING PROCEDURES

98-03

PROMULGATION

This plan supersedes all other plans developed for response to emergencies and disasters within or affecting West Bradford Township.

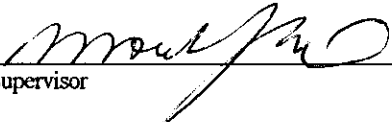

In as much as the Pennsylvania Emergency Management Agency has produced and approved a manual of Standard Operating Procedures, West Bradford Township will adopt said procedures, with modifications, as the Township Emergency Management Plan.

Approved by the Board of Supervisors under Resolution: 98-03

Date: 1-27-98
