2. Every applicant, after receiving final approval of a subdivision or land development plan, but before any building permits may be issued or any construction commenced, shall pay to the Township escrow deposits in accordance with the following schedule:

**A. SUBDIVISION APPLICATION**

(1) The Township, in reviewing the amount to be escrowed as part of the Completion and Payment Bond, to guarantee construction of public improvements, shall among other things consider the anticipated engineer review costs to inspect the construction of the improvements, which fees will be incurred as said construction is undertaken. The Township Engineer shall furnish to the Township an estimate of the anticipated fees. The Township shall then notify the developer and surety of the estimated amount of engineering review fees and voucher the same to developer and surety who shall pay the same to the Township to be held by the Township in escrow.

(2) For other administrative and consultants in addition to all engineering fees:

Escrow (per lot)	\$100.00

(3) Plan showing fifty (50) acres or more:	
Escrow – Initial Deposit	\$20,000.00
Escrow – Minimum Balance	\$1,000.00

3. The escrow deposit for site plan review referred to in Paragraph 2.A.(1) herein shall be used to pay for engineering reviews, unusual administrative costs, consultant (including but not limited to legal) review of subdivision plans, agreements and performance guarantees and other miscellaneous costs of application review, but does not include a deposit for site inspections or other monitoring during development. The amounts for such review will in no event exceed the rate or cost charged by the Township’s consultants for the Township. When the amount of the initial escrow deposit falls below the appropriate minimum amount indicated above, the applicant shall be notified by the Township secretary to file sufficient additional monies to bring the balance of the escrow account up to the amount initially deposited. Upon final approval of a subdivision or land development plan, whatever unneeded funds remain in the escrow account, upon request shall be returned to the applicant.
  
4. The escrow deposit during construction referred to in Paragraph 2.A.(2) herein shall be used to pay for site inspections and other monitoring during development, as well as whatever other administrative and consultant fees are incurred during development. The amounts for such review will in no event exceed the rate or cost charged by the Township’s consultants in their work for the Township. When the initial escrow deposit falls below the appropriate minimum amount indicated above, the applicant shall be notified by the Township secretary to file sufficient additional monies to bring the balance of the escrow account up to the amount initially deposited. When all construction is complete and all public improvements have been accepted for dedication by the Township and there are no outstanding charges to be placed against the escrow account, any remaining balance shall be returned to the applicant.
  
5. Escrow deposit shall be held without interest.
