**BROAD RUN PARK -- PAVILION RESERVATION APPLICATION**

The township parks have been developed for the use and enjoyment of township citizens; however, it is recognized that at certain times it may be beneficial for park users to reserve pavilions. These reservations are for the convenience of the users and should not be construed as a claim to park facilities to the detriment of other park users. Please be advised the security fee (separate check required) for pavilion security and/or trash removal is equal to the total rental fee. Pending a pavilion inspection by the Parks Department, cash deposits may be picked up at the Township Building the week after the event. Checks will be mailed.
