Collection Title: West Bradford Historical Society Scrapbook Collection

Date Range: Late 19th Century – 2020

Overview: The West Bradford Historical Society Scrapbook Collection is a comprehensive archive documenting the rich history of West Bradford Township and its communities. This collection spans from the late 19th century through 2020, providing a chronological narrative of the township's development, key events, and prominent figures.

Content Description: The collection consists of articles and entries indexed alphabetically. Entries consist of names, places, and events, with additional entries organized by topics. This systematic indexing allows for easy navigation and access to specific information within the scrapbooks.

Indexing System:

- **Alphabetical Indexing:** Names, places, and events are indexed alphabetically.
- **Topical Entries:** Entries are also categorized by specific topics for detailed research purposes.
- **Asterisk (*) Notation:** Entries with an accompanying image are denoted by an asterisk (*).
- **Scrapbook References:**
 - **WB_1:** West Bradford Scrapbook 1
 - **WB_2:** West Bradford Scrapbook 2
 - **WB_3:** West Bradford Scrapbook 3
 - **WB_4:** West Bradford Scrapbook 4

Focus Areas: The collection places significant emphasis on:

- **Prominent Figures:** Documentation of notable individuals who have contributed to the township's history.
- **Municipal Planning:** Articles and entries on the planning and development of municipal infrastructure.
- **Historic Preservation:** Efforts and initiatives aimed at preserving the historical integrity of West Bradford.

Searchability: The files have been OCR processed and are searchable. However, due to the nature of the collection (i.e., scrapbook clippings, etc.), not all of the text is fully searchable. It is recommended to search for entries in the PDF by partial text entry of 3-4 letters to improve search results.

Significance: This collection is invaluable for researchers, historians, and community members interested in the historical evolution of West Bradford Township. It provides detailed insights into the socio-economic, cultural, and political landscape of the area over more than a century.

Access: The scrapbooks are accessible to the public for research and educational purposes. The indexed format ensures that users can easily locate specific information related to West Bradford's history.

Usage Note: When referencing entries from the scrapbooks, please use the designated scrapbook reference codes (e.g., WB_1, WB_2) to ensure accurate citation and retrieval of information.
