

WEST BRADFORD TOWNSHIP

"Between the Brandywines"

WEDNESDAY IS HOLIDAY COLLECTION DAY

If a regularly scheduled refuse, recycling or large item collection day falls on a holiday, collection for that day will be rescheduled for the Wednesday of the holiday week.

HOLIDAY:	COLLECTION IS:
Monday, May 26 (Memorial Day)	Wednesday, May 28

If your collection day for refuse and large item or recycling is on Monday, for the week of the Memorial Day holiday, your Monday collection will move to Wednesday. On Wednesday, only place out the collection (refuse and large item or recycling) that would normally occur on Monday, the holiday. Your Tuesday collection will remain on the scheduled day. *If your trash or recycling does not fall on the holiday, your schedule is not affected.*

A REMINDER: Per Township Ordinance, please do not put your recyclable toter out on refuse day, or your refuse toter out on recyclable day. Do not put trash in your recyclables or recyclables in your trash. The Township thanks you for your cooperation!

THANK YOU FROM JOHN STEFFY, THE REFUSE FOREMAN

West Bradford Township would like to thank everyone who takes the time to drop off their clean cardboard and scrap metal. Through your efforts, the sale of cardboard and scrap metal refunded 12.5 % of our recycling costs in 2024! Please keep up the good work! We appreciate your cooperation in our landfill diversion and cost saving efforts.

PSATS Citizen Communication Contest DOUBLE Winner!

We're proud to share that West Bradford Township recently received two awards in the 2025 PSATS Citizen Communication Contest! The township received **FIRST PLACE** for the Leaflet monthly emailed newsletter in the Digital Newsletters category and **THIRD PLACE** for the township website!

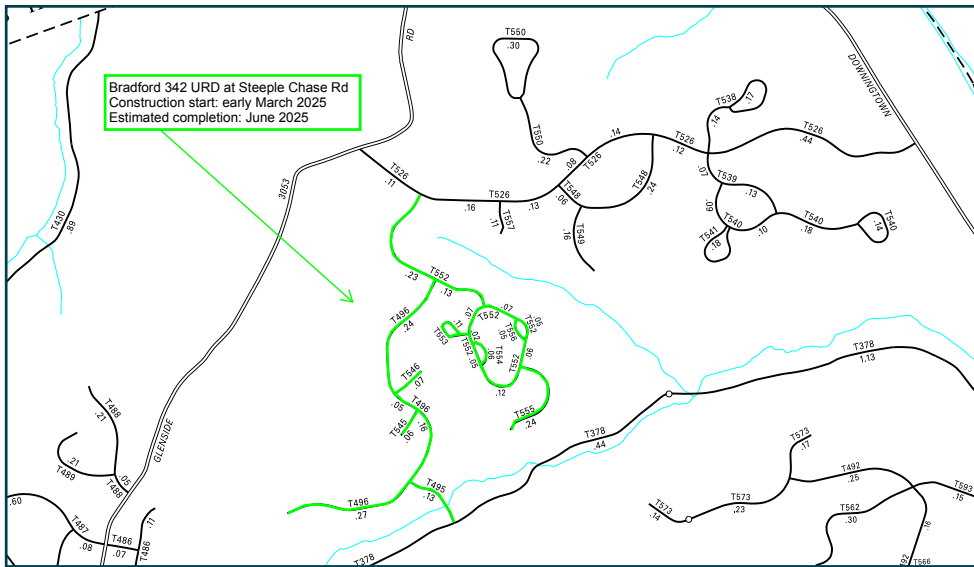

The Pennsylvania State Association of Township Supervisors (PSATS), a non-profit, nonpartisan member service organization, provides a unified voice for the 1,453 townships of the 2nd Class.

Since 1921, PSATS has represented township supervisors, as well as township managers, secretaries, treasurers and other local officials. PSATS' members range in population from less than 100 to over 60,000 residents.

PSATS has approximately 14,000 individual members and associate PSATS members. Associate members include townships of the 1st Class, boroughs, cities and counties.

The PSATS' Citizen Communication Contest recognizes member townships for their efforts to communicate with residents. Awards are presented annually at the PSATS Annual Conference held each spring in Hershey, PA.

REMINDER: OPEN BURNING IS PROHIBITED IN WEST BRADFORD TOWNSHIP

As spring cleanup begins, please remember that burning yard waste and recyclables is not allowed in West Bradford Township. Yard waste is best handled through composting or our convenient curbside collection—available by appointment at no cost to residents. Our compost site at 2020 West Strasburg Road also offers additional disposal options. The fee schedule for provided services can be found on our website.

While some agricultural exceptions exist under the PA Right to Farm Act, open burning poses serious health and safety risks, especially for those with respiratory conditions. The Fire Department and emergency services often respond to burning complaints, typically finding residents unaware of the rules and willing to comply.

For full details, visit our website or refer to Chapter 368 of the Township Code of Ordinances. You can also contact the Township office with any questions.

ROAD WORK

The Township appreciates your patience as we work to improve our roads and keep our community a wonderful place to live. This Summer/Fall the Township plans on paving or repairing portions of the following sections of roads: Waimea Drive, Walton Drive, Chestnut Lane (Romansville Road to Broad Run Road), Winfield Drive, South Bailey Road (West Chester Road to Twp. Line), Parkview Lane, Lieds Road (Broad Run Road to Strasburg Road). We will also do curb and road repairs on Winfield Drive and Parkview Lane.

These roads may experience occasional delays during work hours and temporary road closures for non-emergency vehicles. Residents will be notified in advance of work.

Message from PECO

We are contacting you about an upcoming project occurring in West Bradford Township that will enhance the local electric distribution system. This project is an \$837 thousand infrastructure investment in your area to help withstand more frequent and damaging storms, improve reliability by reducing the frequency of outages that cannot be prevented, and support the adoption of cleaner energy resources such as solar and electric vehicles.

What you'll see during this project:

- A machine will be used to install new conduit as well as new underground electrical cable throughout your neighborhood.
 - » Any impacted portions of yards or streets will be restored.
- New equipment, including pad-mount transformers could be installed or replaced as necessary.
 - » These devices are necessary to reduce electric voltage throughout neighborhoods and require several feet of clearance to allow for future maintenance.
- Work will occur along Bright Glade Cir, Hollow Dr, Steeple Chase Rd, Hunters Ct, Indian Trail Dr, Stonegate Dr, Old Barn Cir, Saddletree Ct, Romig Rd, Glenside Rd, Fox Trail Rd, and Sawmill Rd.
- Construction is scheduled to begin early March 2025 with an estimated completion date of June 2025.
- Work will be performed by PECO crews and qualified PECO contractors.
- We have developed a plan to minimize direct customer impact as much as possible and to complete the project in a safe and timely manner.

Crews may need to temporarily interrupt service to safely complete some of this work. We will work with local residents to ensure they are informed in advance of our activities and any planned interruptions. To ensure you receive all outage updates, please confirm that your phone number is accurate in our system through MyAccount at peco.com/myaccount or by calling PECO at 1-800-494-4000.

If you have any questions regarding the details of this project and how it may impact you, please contact Patricia Haug, Customer Liaison, at **Patricia.Haug@exeloncorp.com**.

WB SCOUTING MINUTE

By: John J. Bossong, III, West Bradford Scouting Coordinator

Summer Camp Countdown -

Warmer weather means outdoor adventures are on the horizon! Our Troops and Packs are gearing up for summer camp at Camps Horseshoe and Ware. Thanks to your support, especially through our Christmas tree pickup and BBQ tent on West Bradford Day, we're able to send our Scouts to camp. Thank you, West Bradford, for helping us make it happen!

Eagle Scouts in Action - Two of our Scouts are hard at work on incredible Eagle projects. One is building a flag retirement drop-off box for the township building. Another is teaching CPR and providing an AED for a local nursing home. These projects highlight the dedication and community spirit at the heart of Scouting.

Troop Triumph - Congratulations to our Ladies Troop for taking first place in the "Band-Aids and Bruises" category at the Council First Aid Meet! Always good to know we've got experts on hand in case of a hiking mishap!

Join the Adventure - Enjoy the outdoors? Interested in making a difference? The Marshallton Scouting Units offer a fun, rewarding way to get involved. For more information, contact us at WBScoutingUnits@gmail.com.

West Bradford Youth Athletics

West Bradford Youth Athletics (WBYA) is a volunteer, non-profit organization providing year-round recreational sports programs for children in our community. Our focus is to give the kids a safe place to play, with a focus on teamwork, sportsmanship, respect and fun.

We were thrilled to have nearly 500 kids participating in our popular Spring SOCCER, GOLF and LACROSSE programs. The kids love Summer STREET HOCKEY and TRACK & FIELD, with SOCCER AND GOLF coming back around in the fall. Create an account on wbya.org to receive email notifications and program info when registrations open. Or look for us on Facebook and follow us on Instagram @PLAY4WBYA to stay in the loop on everything WBYA.

Every spring, WBYA proudly provides financial scholarships to graduating DASD seniors heading off to college. If you're interested in donating to our Scholar Athlete Fund, sponsoring WBYA or volunteering to support the kids in our amazing community... or if you'd like more information about our programs, contact us at office@wyba.org.

Get Ready for a Fun-Filled Summer with DARC

Downingtown Area Recreation Consortium (DARC) is excited to bring West Bradford Township residents a summer full of programs, classes, and community events that inspire fun and learning.

SUMMER CAMPS — RESERVE YOUR SPOT NOW

Playground Camp (Preschool–Elementary)

Let your child explore weekly themed activities including sports, arts & crafts, team-building, and "Water Day Fridays."

Adventure Camp (Ages 7–11 & 11–14) Monday–Friday | 9:00 AM – 4:00 PM (Extended care available)

A new field trip every day. Kids travel by school bus to museums, attractions, and local events—plus a weekly pool visit.

SOCCER SHOTS AT BROAD RUN PARK

Wednesdays, June 18 – August 6

An age-based soccer program that builds both skills and character.

Minis (Ages 2–3): 4:30–5:00 PM

Classics (Ages 3–5): 5:05–5:45 PM

Premiers (Ages 5–8): 5:50–6:30 PM

WIZARDING WONDERS WITH SCIENCE EXPLORERS

August 4–7 | 9:00 AM – 12:00 PM | Ages 7–11

Science meets magic in this half-day camp—brewing potions, building spectrometers, and more hands-on fun.

FIRED UP POTTERY CLAY CAMPS IN WEST BRADFORD

Dragons & Magic Clay Camp

June 9–13 | 9:00 – 11:30 AM | Ages 7–14

Create magical projects each day including dragon eggs, mushroom lanterns, and a book of magic.

Under the Sea Clay Camp

August 4–8 | 9:00 – 11:30 AM | Ages 7–14

Shape and sculpt marine-inspired masterpieces like seahorse mugs and starfish.

SUNDAY MORNING ADULT TENNIS CLINIC

June 22 – July 27 | 9:00–10:30 AM

Location: Broad Run Park Tennis Courts

Led by experienced instructor Justin DePietropaolo, this high-energy clinic is for returning or experienced players looking to sharpen their skills.

UPCOMING DARC BUS TRIPS

Phillies vs Yankees Bus Trip

Sunday, July 27

Includes round-trip transportation and a ticket to Yankee Stadium's Budweiser Party Deck (with food and beer).

Seating: Section 307 | \$205 per person | Tickets are non-refundable

New York City Fall Foliage Lunch Cruise

Saturday, October 11

One-day trip to NYC with a 3-hour Hudson River cruise from Chelsea Piers. Enjoy fall foliage, a full lunch buffet, games, a live DJ, and iconic views including:

- George Washington Bridge
- The Cloisters
- Intrepid Museum
- Fort Washington Park and more

More Trees Set Free!

A group of hardy township scouts and other residents braved the drizzle and came out to Broad Run Park on Saturday March 15 to help clear invasives from around mature trees. The group disposed of bittersweet, Japanese honeysuckle, autumn and silver olive, multiflora rose, and other non-natives that can strangle native plants. For more information on invasives, see our Preserve & Conserve education resources page. See how many you can remove from your own property—and join our hardy group in the fall!

MARSHALLTON UNITED METHODIST CHURCH

UPCOMING EVENTS

Pre-School Registration

Now Open for Fall 2025

- Morning program for ages 3–4/Pre-K
- Contact the Director Gwen Marone: 610–696–5247 or mumspreschool@gmail.com

Annual Spring Flower Sale

Friday, May 9th at 8am through Sunday, May 18th

Vacation Bible School

Road Trip: On the Road with God

June 23 – 26 | 9:30 AM – Noon

- Ages 4 years to 5th grade
- Register online at www.myvbs.org/MUMC2025

Community Picnic and Worship in Park

June 29 | Shadyside Park

- Worship at 10:30; Food and fellowship to follow
- Open to public

Back to Church Sunday

Sunday, September 14 | 10:30 AM

- Lenape Brass will join us in Worship

For more information visit marshalltonchurch.org.

FRIENDS OF MARTIN'S TAVERN ICE CREAM SOCIAL

Please come and join your host, Friends of Martin's Tavern, at Martin's Tavern/Humphry Marshall Historical Park from 1–4 pm on Sunday, July 20th for an afternoon of History, Live Music, Colonial crafts and of course... **HOMEMADE ICE CREAM!** A free, fun event for the whole family, rain or shine. Please bring a chair or blanket.

For more information on this, and other FOMT events, please visit our website at www.martinstavern.org.

WAYS TO PAY FOR YOUR UTILITY BILLS

West Bradford Township is excited to offer residents easy and convenient methods to pay their utility bills.

NO FEES:

- **Mail or bring a check** to the Township Building (1385 Campus Drive, Downingtown, PA 19335).
- **Online** bill pay through your bank (make sure to reference your 10 digit account number).
- **Go to TD Bank** at 3821 W Lincoln Highway, Downingtown, PA 19335 (only this branch) and bring your payment stub and check.
- **Set up automatic payments.** You can do this by going to our website to download the form. www.westbradford.org/documents/files/automatic-bill-payment-form-refuse-sanitary-sewer-and-hydrant-fees.

Complete the form and mail it to:
West Bradford Township
1385 Campus Drive
Downingtown, PA 19335

FEES:

- **Call the Township or go to the Township Building and pay by credit card** (there is a **2.5% fee**).
- You may also make a payment by phone or check your account balance 24/7 with our automated phone service. Call **(844) 810-7245** or make a payment by going to our website westbradford.org and click Online Payments. There is a per transaction limit of \$300.00.

A service **fee of \$4.50** will be applied to all credit card payments and **a fee of \$1.50** will be applied to all payments made via electronic check (ACH/EFT).

 **VISA DISCOVER**

****Residents who utilize their banking institutions "bill pay" feature, please confirm that the account number you are referencing matches exactly how it is displayed on your utility bill.****

LET US KNOW IF YOU WOULD LIKE TO STOP RECEIVING THE PAPER QUARTERLY MAILED NEWSLETTER

Opt Out

In an effort to be as sustainable as possible, West Bradford Township is offering residents the opportunity to opt-out of receiving a paper newsletter mailed to their homes.

Exciting things are happening at the Downingtown Library this Summer!

We are looking forward to kicking off our Summer Reading Program on June 7th, 2025! The theme this year is Color Our World! We are going to make this colorful theme come to life at the Downingtown Library this summer with many exciting and unique programs and events for everyone, including Book Bingo, Preschool Yoga Storytimes, Drop-In Knitting/Crochet/Fiber Arts Groups, STEAM Activities, Music & Movement Programs, Harry Potter's Birthday Event, Craft Programs, and so much more. We can't wait for the library to be filled with tons of little readers this summer! Visit our website, www.DowningtowntLibrary.org, to register for these programs and more, plus check out some of our other summer programs listed below.

Baby Play Time (0-18 months, registration required)

4-week session Mondays in June, 9:30-10am

4-week session Wednesdays in June, 9:30-10am

Indoor Drop-In Family Storytime

(check website for details) Tuesdays in June & July, 10:30-11am

Outdoor Drop-In Family Storytime

(weather permitting, check website for details)

Thursdays in June & July, 10:30-11am

Board Game Night!

1st Wednesday & 3rd Monday each month, 5-8pm

We want to say a big thank you to everyone who made our Friends of the Downingtown Library Spring Used Book Sale 2025 such a huge success! Keep an eye out for details about our Fall Used Book Sale coming soon.

Pollinators

Pollinators—including birds, bats, butterflies, moths, flies, beetles, wasps, small mammals, as well as bees—have become an increasingly popular topic lately. Pollinators spread pollen from one plant to another, which leads to the production of fruits and seeds. Why should we be concerned about them? "75% of the world's flowering plants and about 35 percent of the world's food crops depend on animal pollinators." They are a critical part of a healthy ecosystem, and many of their populations are declining, some to critical levels. Domestic honeybee keepers have reported losses of over 30% of their bees; at least 28% of bumblebees have declined, with the Rusty-Patched Bumblebee, upon whom home gardeners depend, being listed as endangered; and 19% of butterflies are at risk of extinction. The Monarch Butterfly has experienced a 74-80% decline in population, and the U.S. Fish and Wildlife Service is proposing that it be classified as threatened. Reasons given for the decline include loss of habitat (including food sources and nesting sites), pesticide use, climate change, and pollution. How can you help? Grow pollinator-friendly native plants, avoid pesticide use, provide nesting sites by "leaving the leaves" in the fall and not cleaning gardens up too early in the spring, and reduce light pollution. Every little bit helps.

For more information:

Xerces Society 2025 | xerces.org/pollinator-conservation/whats-at-stake

2nd Tuesday each month, 6-7:30pm

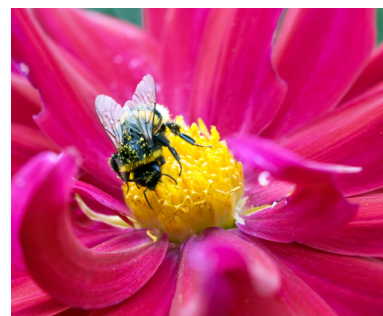

GRINDER PUMP MAN SAYS... REMEMBER THE FLUSHABLE FOUR

1. human waste and toilet paper;
2. greywater from showers, sinks, tubs and dishwashers;
3. conventional food wastes (*not oil or grease!*) as processed through an in-sink garbage disposal unit; and,
4. laundry washing machine discharge.

These are the only four kinds of materials permitted to be discharged into the sanitary sewer system serviced by a grinder pump. **All other materials can damage your grinder pump, and this includes all varieties of adult wipes, baby wipes and cleaning wipes. Property owners are responsible for any damages caused by the discharge of prohibited materials.**

NO ELECTRICITY = NO FLUSHING

Why did sewage back up into my home during Hurricane Irene? Your grinder pump needs electricity to operate. If the electricity is out wastewater will quickly fill the grinder pump's small holding tank and eventually back into your home! (Note: The holding tank is about 100 gallons, and the average home generates approximately 200 gallons of wastewater each day.) So the next time your home loses electricity please remember to minimize all water use until the power is restored.

FRIENDLY REMINDER FROM THE REFUSE & RECYCLING DEPARTMENT

- **Trash Stickers: \$2.50 each**, available at the Township Building. These are for extra bags of trash only—please don't use them for large items.
- **Large Item Disposal:** Need to discard something that doesn't fit in your toter?
 - » **Free Pickup:** Place it at the curb on the last trash day of the month.
 - » **Scheduled Pickup:** Call the Township to schedule a Wednesday pickup for **\$10 per item**.
- **Recyclable Items:** Appliances like washers, dryers, stoves, hot water heaters, and gas grills are recyclable. Do not place them out for bulk pickup. Call to schedule a free Wednesday pickup.
- **Freon-containing Items** (fridges, freezers, dehumidifiers, A/C units, water coolers): Pickup fee of **\$30 per item**. Call to schedule a Wednesday pickup.
- **Dishwashers:** Not recyclable. You can place them at the curb for **free** pickup on the last trash day of the month or schedule a **\$10** Wednesday pickup.
- **Mattresses & Box Springs:** Pickup fee of **\$30 each**. Call or visit the Township office to schedule a pickup (either Wednesday or the last trash day of the month).
- **Bulk Collection:** This is for large items only. Items that fit in your toter should be disposed of there. Please don't place smaller items for bulk collection.
- **Microwaves:** Can be disposed of in your trash toter (if they fit).

Payment Info: Pickup fees can be paid in person at the Township office via cash, check, or debit/credit card. A 2.5% fee applies for debit/credit card payments. We also accept credit card payments over the phone.

Questions? Feel free to reach out to Paige at ptomczak@westbradford.org or call us at (610) 269-4174. We're happy to help!

Keep Lithium-Ion Batteries Out of Trash & Recycling

By: Patti Lynn, *Recycling Resources Manager*

It is extremely likely that you have rechargeable lithium-ion batteries in your home – to power a cell phone, laptop, or power tool, for example. Batteries are both ubiquitous and confusing, having various sizes and chemistries in multiple products. They also don't last forever. It is important to know how to properly dispose of them, ESPECIALLY those with lithium-ion (Li-ion). From button cells to embedded ones, batteries are smaller, lighter, cheaper, but more energy-dense than ever before. Their power can make them dangerous to manage, even if you think they have lost their charge.

WHY IS THIS IMPORTANT? The two Chester County landfills that accept your trash must routinely manage potential fire conditions. Collectors of trash and recyclables must also be prepared for dangerous materials that may be hidden in residents' containers. You wouldn't want a "hot load" dumped in your neighborhood!

BASIC FACTS: Batteries are either primary (one and done), or they are rechargeable. **RECHARGEABLES DO NOT go in your recycling bin OR your trash bin.**

- Look for these symbols that mean lithium-ion in a battery: Li-ion, Li+, LiB, LIB, UN3480, and UB 3481 (if built into a product).
- Beware counterfeit Li-ion batteries; they are often made with lower quality materials and less safety features. Look for misspelled words, forged certifications, cheap packaging and pricing, and suspicious third-party sellers online.

HOW YOU SHOULD HANDLE "DEAD" BATTERIES:

- A spent battery can still have a charge. Li-ion batteries are flammable if they are punctured. It is unsafe to remove a Li-ion battery. Before battery drop-off, tape the terminals, or put the same type of batteries (all NiCad, e.g.) in a plastic bag. View the CCSWA's safety video on Chester County Solid Waste Authority's YouTube page.
- Retailers such as Staples, Home Depot, and Lowes often accept batteries. Check online or use Call2Recycle's zip code locator: www.call2recycle.org/locator
- Register for a County Household Hazardous Waste event at www.chestercountyswa.org.
- Bicycle batteries: the Call2Recycle product stewardship organization that recycles batteries has partnered with People for Bikes (www.peopleforbikes.org) to collect bike batteries at retail bike shops.
- Small power equipment batteries: www.opei.org/battery-basics
- Alkaline batteries (AA, AAA, etc.) are the ONLY ones that can safely go in trash.
- For more battery types, visit www.chestercountyswa.org/373/Disposing-of-Batteries

Batteries *are* getting recycled for their component metals, thereby reducing extraction needed from the earth. That is a good thing. Please be safe and responsible with your batteries.
