# WEST BRADFORD TOWNSHIP

*"Between the Brandywines"*

## ROAD CLOSURE ON MARSHALLTON-THORNDALE ROAD DUE TO WATER MAIN INSTALLATION

Aqua Pennsylvania's water main installation on Marshallton-Thorndale Road between Strasburg Road and Crestmont Drive is still underway. The \$3.5 million project replaces aging mains to improve water flow and reliability in the area. Work continues weekdays from 9:00 a.m. to 3:00 p.m.

Access remains open for residents, mail delivery, trash collection, and emergency vehicles, though traffic patterns may shift. Please allow extra time when traveling through this area. Permanent road restoration is expected in spring 2026. Thank you for your continued patience during this important infrastructure improvement project.

## An Original: "Brownie" Retires After 19 Years of Service

After 19 years of dedicated service, we bid a heartfelt farewell to Randy "Brownie" Brown, one of the original drivers of our Refuse and Recycling Program—and a true cornerstone of our team.

Brownie has been with us since day one, helping to launch the program and shape it into what it is today. His commitment to hard work, friendly customer service, and a job well done has never wavered. He's known not only for his strong work ethic but also for his one-of-a-kind sense of humor, which made every workday a little brighter for his coworkers. A natural morale booster, Brownie has been a major contributor to our positive work environment and a valued presence among staff and residents alike.

His service went far beyond driving a truck—he set the standard for dedication, teamwork, and excellence. Simply put, Brownie set the bar high, and he leaves behind some very big shoes to fill.

As he trades in his refuse truck for a shiny Harley Davidson, we know the road ahead will treat him well—and probably with a little less garbage!

Brownie, thank you for nearly two decades of exceptional service. You'll be greatly missed, and we wish you nothing but smooth rides and sunny skies in your well-earned retirement.

# Message from Township Manager

## EMBREEVILLE REDEVELOPMENT: PROGRESS AND WHAT'S AHEAD

### Dear Residents,

The revitalization of the former Embreeville State Hospital property represents the next exciting step in a process that began more than two years ago. This effort builds on a comprehensive master planning process led by Township staff, professional consultants, and a resident-based advisory committee, whose thoughtful input and vision have shaped the long-term goals for this 196-acre site.

Following the acquisition of the property, West Bradford Township has continued to make steady progress toward transforming Embreeville into a safe, accessible, and vibrant community space for generations to come. While much of the recent work has focused on the less visible but critically important tasks of cleanup, infrastructure stabilization, and site preparation, each milestone brings us closer to realizing the community's shared vision for this property. This project is a tremendous opportunity for our Township, and we remain committed to ensuring the vision and final product reflects the needs and values of our residents.

I'd like to take a moment to share an overview of what's been accomplished, what's happening now, and what lies ahead over the next few years.

### CLEANUP AND SITE STABILIZATION

Since taking ownership, the Township has focused on preparing the property for safe and responsible renewal. A large number of dead and diseased trees have been removed, with more to come as part of ongoing safety and maintenance efforts. Over one mile of the main traffic loop through the property has been milled and base repaired, improving site access and laying the groundwork for future paving. Crews have cleaned and repaired

stormwater inlets, graded roadway banks for proper drainage, and addressed several major existing erosion issues. To protect the property, split rail fencing has been installed along Strasburg Road, with four gated access points for controlled entry. Rock debris left over from the demolition phase has also been removed.

### PLANNING AND DESIGN WORK

Alongside physical improvements, the Township is advancing the design and planning phases for the next major components of the project. We have submitted a \$250,000 grant application to the Pennsylvania Department of Community and Economic Development (DCED) to help fund the construction of multipurpose grass athletic fields.

### Engineering plans and bid specifications are also underway for:

- Installation of multipurpose grass athletic fields (pending grant approval)
- Comprehensive stormwater management upgrades, including new retention basins and improved drainage systems
- Milling, grading, and repaving of key parking areas, including a new lot at the Strasburg Road entrance

These infrastructure investments will not only improve drainage and protect local waterways, but also ensure the site is ready for long-term recreational and community use.

### WHAT'S NEXT

Moving forward, West Bradford Township's Public Works Department will continue to perform maintenance and cleanup as time allows. It's important to note that our Public Works team manages more than 160 lane miles of township roads and associated infrastructure,

an ongoing effort that includes stormwater maintenance, paving, plowing, and roadside work. In addition, the crews maintain several parks and trails.

In early 2026, the Township plans to award contracts for major stormwater infrastructure projects, followed by the installation of the multipurpose grass athletic fields. At the same time, design work will begin for Ryan Boulevard, the road that connects the north and south portions of the site. Ryan Boulevard has been heavily impacted by previous construction but will serve as a critical access route for heavy equipment during ongoing work. As we progress southward through the site, the road will be repaired and paved.

Following these improvements, attention will shift to the baseball field area on the southern portion of the property, which will include tree removal, roadway improvements, parking installation, and traffic flow upgrades. A new access road connecting to Route 162 is scheduled for completion by June 2027, improving safe access to the southern portion of the property.

### SCOUTING PARTNERSHIP

In conjunction with the ongoing work at the Embreeville site, West Bradford Township is also partnering with Scout Troops 52 and 19, and Cub Scout Pack 152, to develop a dedicated Scout Camp on an adjacent property. This new space will provide the Scouts with a permanent home base featuring traditional elements such as a fire pit and flagpole, along with Adirondack-style cabins and a pavilion to support overnight camping and outdoor programs.

**Continued on next page**

**THE VILLAGE OF MARSHALLTON  
TREE LIGHTING  
SATURDAY, DECEMBER 6  
FROM 4 TO 6 PM**

Celebrate the start of this year's holiday season in the historic and quaint Village of Marshallton.

See Santa Claus arrive by wagon, listen to Colonial Carolers, and enjoy tasty refreshments... then gather for the tree illumination at 6:00 PM. It's a great tradition for the entire family! For more information on this event sponsored by Friends of Martin's Tavern, please visit [martinstavern.org](http://martinstavern.org).

**5TH ANNUAL HOLIDAY HOUSE DECORATING CONTEST**

Get ready to light up the season! Voting for the 5th Annual West Bradford Holiday House Decorating Contest begins Thursday, December 18 at 5:00 PM and closes Monday, December 29 at Noon — giving residents two weekends to tour and enjoy the festive displays. Look for additional information coming soon on our website!

**MARSHALLTON UNITED METHODIST CHURCH  
1282 W STRASBURG ROAD  
WEST CHESTER, PA 19382**

**COOKIE SALE & LUNCHEON**  
**Saturday, December 13th**  
9:00 AM: Cookie Sale  
11:30 AM: Community Lunch  
Our favorite home-made cookies for sale, and fellowship with our neighbors.

**CHRISTMAS EVE: DECEMBER 24TH**  
7:00 PM: Family service with carols, choir, a children's gift, and candlelight.  
11:00 PM: Midnight service with carols, special music, communion, and candlelight.  
Luminaries through the village prepared by our youth and young adults.

**Message from Township Manager  
CONTINUED FROM PAGE 2**

The camp will have access to park amenities within the Embreeville complex, encouraging hands-on learning and outdoor stewardship. In exchange for the use of the site, the Scouts have committed to assisting the Township with trail maintenance and care for outdoor areas within the Embreeville property. This partnership not only strengthens the connection between youth and the community's natural spaces but also reinforces the Township's commitment to civic engagement and environmental education.

**LOOKING TOWARD THE FUTURE**

By mid-2027, much of the foundational structure of the future park will be in place. Walking trails and multipurpose athletic fields will begin to take shape, and the Township expects to introduce new features such as pollinator gardens, picnic pavilions, and other gathering areas that enhance the site's natural beauty and community use. It is at that time when the site should be fully accessible to the public.

The transformation of the Embreeville property represents a long-term investment in West Bradford's future,

one that balances recreation, environmental stewardship, and responsible preservation. While there is still considerable work ahead, the progress made so far reflects the Township's ongoing commitment to revitalizing this historic property into a place our community can be proud of. We hope to coordinate a "Walk with the Supervisors" in late spring or early summer for a site tour, followed by light snacks and refreshments.

As we continue this ambitious and exciting journey, I want to personally thank our residents for their patience, encouragement, and steadfast support. This project is truly a shared effort, and your trust and engagement inspire our team every day. Together, we are building something meaningful for future generations, and I look forward to celebrating each milestone with you.

Many thanks,

Justin Yaich  
Township Manager

**BRADFORD MEETING  
ANNUAL CHRISTMAS SING**

All are welcome to join West Bradford's Quaker community on **Sunday, December 14th at 11:00 a.m.** for the Annual Christmas Sing held at the Bradford Friends Meeting house. We invite you to experience a simple yet heartwarming celebration of the true spirit of Christmas with family, friends and neighbors. Refreshments will be served afterwards.

The entrance to the meeting house, which is located at 1366 West Strasburg Road, is approximately 100 yards west of the West Bradford firehouse on the opposite side of West Strasburg Road (Route 162) in the Village of Marshallton. For more information on the Bradford Friends Meeting, please visit [www.bradfordfriends.org](http://bradfordfriends.org).

**OPERATION SANTA  
SATURDAY, DECEMBER 20**

Get ready for a festive surprise as Santa rides into town in style! Listen for the sirens as he travels through the Township on a fire truck, spreading holiday cheer to all the good little girls and boys.

The dedicated firefighters escorting him will be handing out plenty of candy canes, so don't miss out!

**Note:** This event is weather permitting.

# A Year of Fun & Memories with DARC

As the year comes to a close, the Downingtown Area Recreation Consortium (DARC) would like to extend a heartfelt **thank you** to all who participated in our programs throughout the year. From the countless **memories made at summer camps** to energizing fitness classes and exciting bus trips, we're grateful to be part of your community experiences.

Looking ahead, DARC is excited to continue offering **after-school programs in your child's elementary school**, providing fun, creative, and educational activities right in your neighborhood. Don't forget to also check out our popular **"Arty Night Out"** programs for kids and our **School's Out Programs**, perfect for when DASD has days off. This year's lineup includes **Abrakadoodle** art adventures, **Yoga with Ms. Rebecca**, and **Coding & Robotics with Code Ninjas**.

## COOKING WITH CRAFTY CHEF ACADEMY

Kids can enjoy a fun cooking class once a month, all year long with Crafty Chef Academy. Each session features a creative, hands-on culinary theme that kids love!

## NEW FITNESS PROGRAMS FOR ALL AGES

We're excited to offer a variety of new fitness opportunities to help keep our community active and healthy year-round!

- **Chair Yoga with Deanna** – gentle, supportive movement for all levels
- **Ageless Strength** – Training for Women 50+ (on ZOOM)
- **Move N Groove & Core Fusion** – a fun and energizing way to build strength
- **Move N Groove** – get your heart pumping to upbeat music
- **Daytime Yoga with Pearl** – perfect for flexibility and relaxation
- **Beginner Tai Chi** – build balance, focus, and calm

## DISCOUNTED MOVIE TICKETS

(Movie Tavern & Regal Cinemas) are available through DARC – they make **great holiday gifts**, as well as perfect options for family nights or date nights!

## SNEAK PEEK AT 2026 BUS TRIPS:

- **March:** Atlantic City – Caesars Casino
- **April:** Cherry Blossom Festival
- **May:** New York City & Broadway Show

## PREMIER VACATIONS INFORMATIONAL SEMINAR

**Wednesday, March 11, 2026 | 6:00–8:00 PM**

Join DARC and Premier World Discovery to learn about our upcoming travel adventures: **Athens & the Greek Islands, Switzerland Christmas Markets**

**River Cruise**, and last call for the **Canadian Rockies** 2026. This free session is the perfect opportunity to get trip details, ask questions, and start planning your next getaway.

If your teen is looking for a fun and rewarding **summer job**, working at DARC's Summer Camp is a great way to gain valuable experience. **Hiring begins in February 2026**, so keep an eye on our website for more information.

And finally, keep an eye on your mailbox in **mid-February for our 2026 Program Brochure**, filled with exciting programs and trips for the year ahead. For program details and registration, visit [www.darc.info](http://www.darc.info).

## WEST BRADFORD'S PRESERVE & CONSERVE RESIDENT REWARD PROGRAM!

Do you recycle, compost, plant natives, or reduce water and energy use at home? Then it's time to get recognized for the sustainable choices you already make!

West Bradford Township and the Land Preservation & Sustainability Committee invite you to take part in our Preserve & Conserve Resident Reward Program. It's a fun and easy way to show off your eco-friendly efforts and get rewarded for them!

- It's free and open to all residents
- Learn about sustainability topics
- Fill out a quick application
- Earn recognition as your household's sustainability grows—Bronze, Silver, Gold!

Whether you're just getting started or already a green-living pro, there's a level for everyone. Start small or go all in, it's your journey to a more sustainable lifestyle.

Learn more on the website here: [www.westbradford.org/321/Preserve-and-Conserve-Program](http://www.westbradford.org/321/Preserve-and-Conserve-Program)

## PET OF THE MONTH

Enter your pet to be featured as our "Pet of the Month" in the eNews and on social media! [www.westbradford.org/293/Pet-of-the-Month](http://www.westbradford.org/293/Pet-of-the-Month)

## KEEP SENDING IN YOUR PHOTOS AND WE'LL SHARE THEM!

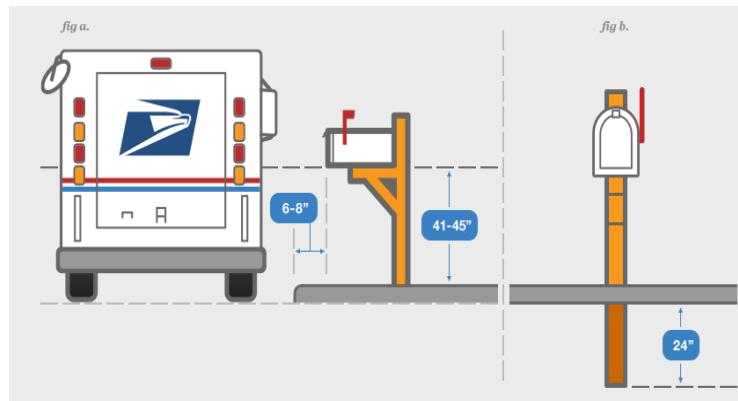

We're looking for photos for the Leaflet, the website and to fill some wall space in the Township Building and you can help! If you have a recent photo from "around town" you can upload it using our online website form. Please note—your photos must be high resolution. Most newer phones take great high resolution photos.

# Where to Place the Mailbox

## HERE ARE SOME HELPFUL GUIDELINES TO FOLLOW WHEN PLACING YOUR MAILBOX:

- Position your mailbox 41" to 45" from the road surface to the bottom of the mailbox or point of mail entry.
- Place your mailbox 6" to 8" back from the curb. If you do not have a raised curb, contact your local postmaster for guidance.
- Put your house or apartment number on the mailbox.
- If your mailbox is on a different street from your house or apartment, put your full street address on the box.

## INSTALLING THE MAILBOX POST

The best mailbox supports are stable but bend or fall away if a car hits them. The Federal Highway Administration recommends:

- A 4" x 4" wooden support or a 2"-diameter standard steel or aluminum pipe.
- Avoid unyielding and potentially dangerous supports, like heavy metal pipes, concrete posts, and farm equipment (e.g., milk cans filled with concrete).
- Bury your post no more than 24" deep.

## MAINTENANCE

Mailboxes take a beating from the weather, so we recommend an annual mailbox checkup to avoid damage to your mail or difficulty identifying your address.

- Tighten loose hinges on the door
- Take care of rusty or loose parts
- Replace missing or faded house numbers
- Keep the path to your mailbox clear

## A Friendly Reminder from the Refuse Department

When snow is in the forecast, please place your trash and recycling toters on your driveway or in the grass, never in the street. Our crews work hard to keep the roads clear and safe during winter storms, but toters left in the street make plowing difficult and can easily be damaged. Setting them back just a few feet helps us plow more effectively and keeps your containers intact. We really appreciate your help in keeping things running smoothly during the snow season.

**§ 368-10. Residential waste collection and disposal.** (3) The totter shall be placed at curbside on a public street on the assigned collection day and must be at curbside no later than 6:00 a.m. The totter may be placed at curbside beginning at 6:00 p.m. on the night prior to the scheduled collection day and must be removed from curbside prior to 12:00 midnight on the day of collection.

**IMPROPER Placement During a Snowstorm**

## A REMINDER FROM FIRE CHIEF JACK LAW

Please take a moment each year to check your life safety equipment and devices to ensure they're in good working order. This includes CO2 detectors, smoke alarms, sprinkler systems, fire extinguishers, and home alarm systems. Regular maintenance helps prevent hazardous situations and keeps everyone safe.

# Remembering the Shannon Airport

The West Bradford Township Historical Commission is looking for stories and images from anyone who may have been part of the Shannon Airport in its heyday. The airport was active from around 1954 through about 1998.

Perhaps you were a pilot who landed there or stored a plane on the location, or maybe you know a member of the Shannon family who owned the airfield at one time.

The Historical Commission would love to hear from you to piece together the history of the former airfield for our archives! Visit [www.westbradford.org/332/Shannon-Downingtown-Airport](http://www.westbradford.org/332/Shannon-Downingtown-Airport) or scan QR code.

## Downingtown Library

The Downingtown Library is here to serve the West Bradford community! The library is a great place to study, read, and even work remotely. Families enjoy our play areas, or they sit to read picture books together. We offer a wide variety of fun and educational free programs for everyone each month. And, of course, plenty of our patrons just come to check out a book – or ten! We need the community's support to continue offering a wide variety of programs and materials, as well as a comfortable space to read, play, and study. Your tax-deductible contribution to the library helps us continue to serve the community. You can give online at <https://bit.ly/SupportDowningtownLibrary> or contact us at 610-269-2741 to request a donation mailer.

### UPCOMING PROGRAMS & EVENTS:

#### Storytimes with Miss Rebecca

Registration Required (various age groups and times, see website)

#### Monthly Book Club (adults)

4th Tuesday each month, 6:30-7:30pm

#### Mah Jongg Free Play

(adults – beginner level)  
Fridays, 11am-1pm

#### Drop-In Knitting/Crochet/Fiber Arts Groups

(adults & young adults)  
Tuesdays, 11am-12:30pm; Wednesdays, 1-2:30pm; Thursdays, 6-7:30pm

#### Drop-In Family Storytimes

(various times, see website)

#### 15th Annual "A Midwinter's Night; a dram good time!" Whiskey Tasting Fundraiser Event

Friday, February 7th  
(more details to come on our website)

#### 4th Annual Designer Bag Bingo

Friday, May 8th at Raymour & Flanigan in Exton (more details to come on our website)

#### Friends of the Downingtown Library Spring Used Book Sale

(more details to come on our website)

Visit our website for more: [www.DowningtownLibrary.org](http://www.DowningtownLibrary.org)

## WEST BRADFORD YOUTH ATHLETICS (WBYA)

WBYA is a volunteer, non-profit organization providing year-round recreational sports programs for children in our community. Our focus is to give kids a safe place to play, with a focus on teamwork, sportsmanship, respect and fun.

Nearly 500 kids took to the fields and course during our Spring SOCCER, LACROSSE and GOLF seasons. The kids keep coming back year after year for our popular Summer STREET HOCKEY and TRACK & FIELD programs. SOCCER AND GOLF come back around in the fall, and then WINTER BASKETBALL is always a hit. Create an account on [wbya.org](http://wbya.org) to receive email notifications and program info when registrations open.

Every spring, WBYA proudly provides financial scholarships to graduating DASD seniors heading off to college. If you're interested in donating to our Scholar Athlete Fund, sponsoring WBYA or volunteering to support the kids in our amazing community... or if you'd like more information about our programs, contact us at [office@wbya.org](mailto:office@wbya.org).

## SCRAP METAL RECYCLING

By: John Steffy, Refuse Foreman

The Refuse Department has been very busy keeping our scrap metal bin empty and available for public use at the Compost Site, regular hours (Wed & Sat 9 am – 2 pm). This is great news, as scrap metal has become one of our favorite aspects of the Refuse program. This year, we have collected and sold nearly twenty-seven tons of scrap metal!

There are significant cost savings when recycling metal material. In 2025, we have saved \$2,241 in landfill fees. Conversely, by selling that same material to the scrap yard we were paid \$3,806. This brings the total savings to \$6,047 so far this year.

Examples of metal items that can be placed in the scrap bin are tools, shelving, file cabinets, small kitchen appliances, pots and pans, etc. It's acceptable to recycle metal items that also have materials like wood, plastic, or rubber attached. The scrap yard has shredders and magnets that can separate the different material components for recycling. Items with refrigerant, gas, or oil will not be accepted.

Please consider the materials you are placing out for trash or bulk. If the item is metal, it can be recycled! If you have a bulky metal object that you cannot transport yourself, please call the Township office and schedule a free Wednesday curbside collection, or bring smaller items to the Compost Site bin.

We are happy to share the success of our program and eagerly invite you to participate in any way you can. Whether it's saving money, increasing recycling, or saving space in the landfill, scrap metal offers several ways to benefit our community and our environment. We appreciate your cooperation to keep this initiative a success! Please call the office if you have any questions about the program or recycling in general. We are happy to help!

## WB Scouting Minute

By: John J. Bossong, III, West Bradford Scouting Coordinator

**Cub Scout Pack 152** opened the year in August fishing at Hibernia Park where sunnies and a couple nice bass were caught by the Cubs. In September, the Pack got a behind the scenes tour of Mariner Farms including their beehives and orchards. In October, the Pack held its family campout at Camp Linden where Cubs had a day filled with fun scout activities and games, cooked over the campfire and slept in tents. Pack 152 meets the first Wednesday of each month. For more information, email [chankins\\_1@yahoo.com](mailto:chankins_1@yahoo.com).

**Troop 19 of Marshallton is ALL girls (ages 11-17).** We are an active Troop with a yearly calendar of activities including monthly camping trips, volunteer service projects and community events. For more information about our Troop, visit our website at [www.bsatroop19.org](http://www.bsatroop19.org).

**Troop 52** had a productive summer attending Camp Horseshoe for a week in July. The boys won several awards and earned over 60 merit badges! The troop also has 2 Eagles in the process—Ayaan Naik completed his Eagle project by acquiring AED's for a community center while conducting CPR classes and Zak Baldwin created a flag drop off box which is in the township building in the meeting room. Soon we will be adding two more Eagle Scouts to the flock.

If you are interested in scouting please email us at [wbscoutingunits@gmail.com](mailto:wbscoutingunits@gmail.com). The Pack meets at 7pm on the first Wednesday of each month at West Bradford Elementary, while both troops meet at Marshallton United Methodist Church every Thursday at 7pm.

### UPCOMING EVENTS

#### **"Pancakes & Peace" on December 7, 2025**

All are welcome to come celebrate. Troop 19 will host a pancake breakfast to benefit Marshallton Scouting Units followed by a Peace Light Ceremony at Marshallton United Methodist Church. Breakfast will start at 8:30am. Peace Light ceremony will begin at 10:30am.

#### **Christmas Tree Pickup**

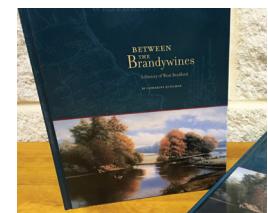

Troop 52 will again be picking up Christmas trees for the township this winter starting the weekend after Christmas and for the next 3 weekends. To sign up visit [christmastreepickup.eventbrite.com](https://christmastreepickup.eventbrite.com) or snap the QR code. This fundraiser helps the scouts pay for summer camps and high adventure trips along with funding for camping equipment and supplies.

## WEST BRADFORD TOWNSHIP ART AND HISTORY MAKE GREAT GIFTS

### **BETWEEN THE BRANDYWINES—A HISTORY OF WEST BRADFORD TOWNSHIP BY CATHERINE QUILLMAN**

Between the Brandywines contains more than 400 pages and includes over 250 photos, maps, and drawings. The book is available for purchase at the Township Building for \$25.

### **TEMPLE-WEBSTER-STONER HOUSE 15" X 20½" ART PRINTS BY RICHARD BOLLINGER**

Produced on the finest quality acid-free paper, each print has been personally signed and numbered by the renowned artist Richard Bollinger. Each print is \$75, 15" x 20 ½" unframed, and is available for purchase at the Township Building.
