### **Medicare Annual Open Election Period**

Unhappy with your Medicare Advantage or Part D Drug Plan? Are you thinking about making a change during this year's open election period, but unsure about all of the options available?

APPRISE can help you make the right decision!

APPRISE is a free health insurance counseling program offered by the Chester County Department of Aging. APPRISE counselors are specially-trained volunteers who can help you determine what coverage will provide the best value to you in 2016.

West Bradford Township will be hosting two days – Tuesday, November 17 and Wednesday, November 18 – of APPRISE counseling at the Township Building. If you want to schedule a free, one-on-one, and confidential meeting with an APPRISE counselor contact the Chester County Department of Aging at (610) 344-6035. And if these dates are not convenient for you the Department of Aging can provide dates and times that additional sessions will be offered throughout the region.
