invites you to

Sat Chester County
OCT CLEAN ENERGY
2 Open House Tour

SEE WHO'S TRANSITIONING TO CLEAN, RENEWABLE ENERGY IN CHESTER COUNTY!

Municipalities | Non-profits | Homes | Schools | Businesses | Farms | Houses of Worship

3 Great Fall Events!

- **Tour Kick off: West Vincent Community Day** is proud to be the in-person kick off site for Chester County Virtual Clean Energy Tour. Learn about Low to No Emission vehicles by viewing different electric car models and how to charge them. Talk with solar and electric heat pump installers about options to shift to renewable energy. A fantastic opportunity to understand the benefits of going renewable, cleaning our air, and creating local jobs.
September 25, 10:00am - 3:00pm at 729 St. Matthews Rd, Chester Springs, PA 19425
RSVP and learn more at nationalsolartour.org.
- **Efficiency First!: A How-to Webinar on Energy Efficiency** celebrates the 15th National Energy Efficiency Day. **September 29, 7:30pm**. Register [here](#).
- **Chester County Clean Energy Tour** starting Saturday October 2 – enjoy a virtual fall outing and learn about energy efficiency and clean energy options, electric vehicles, and other sustainability practices from the comfort of your home! Whether you already have solar, you are completely new to solar or efficiency, or somewhere in between – this event is for you! Starting on Oct 2 check out more than a dozen virtual [sites](#).

CLEAN, SAFE ENERGY. RIGHT HERE. RIGHT NOW.
