New London Township	
North Coventry Township	

*Township Ordinance

Businesses and institutions located in municipalities listed must recycle, at a minimum, the following items:

- Aluminum cans
- Corrugated Cardboard
- High grade office paper
- Leaf waste
- Any other material designated by the municipality

Many municipal ordinances require additional items: clear and colored glass, newspaper, mixed paper, plastic beverage containers and metal cans. Contact the municipality of operation for specifics. All materials must be stored until collection. Each commercial and institutional establishment must arrange collection.
