

WEST BRADFORD TOWNSHIP

"Between the Brandywines"

West Bradford Township Recycling Statistics

West Bradford Township has a goal of 35% recycling and we need your help to reach it! Every dollar saved by reducing the amount of refuse required to be disposed at the landfill is retained in the Refuse Fund...helping to keep our collection fee as low as possible and helping our environment.

The Township pays \$65 for each ton of refuse dumped at the landfill. In the second quarter of 2018 approximately 28% of that collected curbside was recyclable materials. During this three-month period, the Township collected 1,039.8 tons of refuse and 402.28 tons of recyclables, saving us \$26,148.20 in landfill fees. Thank you and please keep recycling!

Wednesday is Holiday Collection Day

If a regularly-scheduled refuse, large item or recycling collection day falls on a holiday, collection for that holiday will be rescheduled for the Wednesday of the same week the holiday falls in.

FOR THE FOLLOWING HOLIDAY:	COLLECTION WILL OCCUR ON:
Monday, September 3 (Labor Day)	Wednesday, September 5 (refuse & recycling only)
Thursday, November 22 (Thanksgiving Day)	Wednesday, November 21 (refuse & recycling only)
Tuesday, December 25 (Christmas Day)	Wednesday, December 26 (refuse, large item and recycling)

Fall Fun in the Village of Marshallton OCTOBER 20, 2018

Roast Beef Dinner at Marshallton United Methodist Church

On October 20th, you are invited to join Marshallton United Methodist Church for dinner! The menu includes roast beef, mushroom & brown gravy, mashed potatoes, green beans, cole slaw, applesauce, rolls & butter, dessert, and beverage. Hours for the "Eat-in" or "Take-out" option are from 4:30 to 6:30pm. Cost is \$13/adult and \$5/child (5 to 12 years of age) if ordered before October 17 and \$15/\$5 at the door. The church is located at 1282 West Strasburg Road, West Chester, PA. Contact the church office at (610) 696-5247 or office@marshalltonchurch.org with any questions.

Family Fun Festival & Ghost Walk in the Village of Marshallton

This absolutely perfect fall family outing is on Saturday, October 20th, from 5 to 8pm. (October 21 rain date.) Spend a crisp fall evening strolling through the quaint streets of Marshallton and stopping to hear interesting ghost tales and facts about the Township's most historic village. Enjoy pumpkin and face painting, old-fashioned hayrides and listening to fantastic acoustic music by a crackling bonfire. West Bradford Township's Historical and Recreation Commissions very proudly co-host this fun-filled event. Volunteers are needed and greatly appreciated! For more information on how you can have a great time lending a hand, please contact Kevin Letrinko at (610) 269-4174 or kletrinko@westbradford.org.

FALL CURBSIDE LEAF AND BRUSH COLLECTION 2018

This fall, West Bradford Township will provide curbside collection of leaves and brush on the following four dates:

**WEDNESDAY, OCTOBER 31, WEDNESDAY, NOVEMBER 14
WEDNESDAY, NOVEMBER 28 AND WEDNESDAY, DECEMBER 5**

The collection is for leaves and brush only. Grass clippings are not accepted! All pick-ups must be scheduled by 2:00pm the day before the collection date by contacting the Township office at (610) 269-4174, or by e-mailing pmurdoch@westbradford.org. Please specify the number of leaf bags, the number of stick bags, and the number of bundled brush piles, as different trucks are used to collect these different types of yard waste.

THERE IS NO COST FOR THIS SERVICE, BUT THERE ARE A FEW SIMPLE RULES TO FOLLOW THAT WILL HELP US TO KEEP THIS SERVICE FREE:

- Bags must be placed at curbside by 6:00am on the collection days.
- Leaves must be placed in bio-degradable paper collection bags. To avoid damaging the equipment used to compost the leaves, the bags must be free of plastic, trash, sticks and all other debris.
- Leaves placed in any other container, including trash and recyclable totes, will not be collected. This includes all varieties of "biodegradable" or "compostable" plastic bags.
- Sticks must be placed in bio-degradable paper collection bags or bundled, but sticks can't be mixed with leaves.
- Bundled brush must not be longer than four feet and must be tied into manageable bundles with cotton or hemp twine. Bundles must be free of plastic, trash and other debris to protect the composting equipment.
- Branches thicker than four inches will not be collected.
- Do not staple or tape yard waste bags closed.
- Bio-degradable bags may be obtained at the Township Office, 1385 Campus Drive, at a cost of \$0.50 per bag, Monday through Friday, from 7:00am to 4:30pm. Residents may also purchase bags sold at local department stores.

Can't make the above dates work in your schedule? No problem! The West Bradford Compost Site (2020 West Strasburg Road), is also available for leaf and brush drop-off on Saturdays and Wednesdays from 9:00am to 2:00pm. Grass clippings are accepted at this site only when the "green light" is posted at westbradford.org. Just look for the traffic signal. Trimmings too large for collection? Shrubbery and tree trimmings up to eight inches in diameter or eight feet in length may be taken to the Lanchester landfill in Honey Brook for a fee. The landfill will not accept root balls, dirt or stones. Contact the landfill at (610) 273-3771 for more information. ☺

Marshallton Troop 52 turns 75!

A 75th Anniversary Banquet will be held on November 17th from 3–6pm at the Chester County Technical School. The party will feature a buffet style dinner, speakers and a chance to reconnect with scouts, family and friends. All alumni and their families are welcome to participate in this celebration! Prizes for any troop gear returned, farthest travelled, oldest alumni and best camp story, etc! Visit <https://tinyurl.com/troop52is75> or email john.bossong@yahoo.com.

Do You Know? ANSWER ON PAGE 5

Which famous actor lived at Stock Grange in the 1940's?

- Cary Grant
- Ray Schneider
- Claude Raines
- Stuart Grainger
- Edward G. Robinson

Land Preservation and Sustainability Committee Update

Since the Summer newsletter, The Land Preservation and Sustainability Committee (LPSC) has been very busy! We've sent letters to landowners regarding land preservation options, also offering to meet and review conservation opportunities.

Currently there are 12 landowners that are in some form of active preservation dialogue. This represents 657 acres of the Township or 5.5% (657 acres / 11,917 acres—size of Township). Of these projects, two have been approved (89 total acres) by the LPSC and the Township Supervisors for preservation partnering with the Chester County Open Space Program.

This is an incredible start to the program and reflects the conservation commitment of the landowners in West Bradford Township. The LPSC continues to research the natural, agricultural, and cultural resources of the Township and the programs that are available to assist in the preservation of them. If you are interested in learning more about these programs, please call or email Justin Yaich, Township Manager at (610) 269-4174 or jyaich@westbradford.org.

Watershed Protection Tip

DON'T TOP OFF

"Topping off" a gas tank after the nozzle clicks can cost you money and pollute our streams! Overfilling causes gas spills that may drain to the storm sewer and nearby streams. And forcing extra gasoline into the tank can decrease engine efficiency and adversely affect the vehicle's emission system.

This Watershed Protection Tip is part of West Bradford Township's ongoing efforts to provide public education on stormwater management and the protection of our environment.

Snowy Winter Roads

Our Road Crew spends long hours in tough conditions to make the roads as safe as possible. Please cooperate and appreciate their efforts. Our trucks salt, cinder, and plow over 125 lane miles of roads. We hire extra contractors and maintain stock piles of over 400 tons of anti-skid material. We stock extra parts for plows, salt spreaders, and truck chains. Despite our best efforts, we do have equipment breakdowns during storms. This may delay work on certain routes. Please be patient. Each operator has a specific route that includes high priority roads and lesser priority roads. When a snowstorm begins, operators will cover their entire route with salt and anti-skid material. This helps to keep the snow and ice from freezing on the surface. After that they begin to plow their route. The intensity of the storm determines how routes are completed. For minor storms, the entire route may be completed at once. However, if the storm intensifies, only priority routes (*usually through roads*) will be plowed. Cul-de-sacs and secondary roads will not be done until the main routes can be kept open. As the storm lightens, all roads will be opened. After all roads can be kept open, drivers complete their route by pushing snow back as far as possible on the cartway and clearing the intersections.

BY FOLLOWING THESE GUIDELINES DURING A SNOWSTORM, YOU CAN ASSIST US IN KEEPING THE ROADWAYS OPEN:

- Don't park cars on a street during a snowstorm. Remove all vehicles from streets before the storm and keep them off until the streets are cleared. Having cars in the street delays the clearing of streets and can result in the car owner receiving a fine and/or the car being towed. If we are required to send a crew out to re-plow a street because cars were parked there, it costs more tax dollars.
- Wait until the roadway is cleared before shoveling your driveway, sidewalk and mailbox area. But if you must clear these areas sooner, please know Township trucks will likely throw snow back onto your property when plowing the road.
- Don't shovel snow into the roadway. Pushing snow from your driveway or sidewalk into the roadway creates a safety hazard and could cause an accident. Property owners may be held responsible for accident damages.
- Prepare your vehicle for winter driving. If you are unsure about driving on snow and ice, don't drive! Share a ride with a neighbor or wait until the roadways are cleared.
- Check your mailbox. We are not responsible for mailbox damage unless we actually hit the mailbox with a truck or plow blade. Heavy snow thrown from highway plows will break mailboxes and rotted posts. You are responsible for these repairs.

The Township does not plow private roadways, roadways not dedicated to the Township and most State-owned roadways. West Strasburg Road, Marshallton-Thorndale Road, Northbrook Road, Romansville Road, Downingtown Pike (Route 322), Embreeville Road, Bradford Avenue, Brandywine Drive, Glenside Road (from Beacon Hill Road into Downingtown), Camp Linden Road and Stargazers Road are maintained by the Commonwealth. Please contact the Pennsylvania Department of Transportation at (610) 436-2091 to report snow removal concerns at these roadways. 🍷

Upcoming Events

2018 Marshallton Triathlon

Sunday, October 7, 2018

Register now to ensure your spot in the 46th Triathlon to be held on Sunday, October 7th. Continue or start a tradition for you, family and friends to be a part of Chester County's premier community and sporting event! The Triathlon benefits the West Bradford Fire Company and the Marshallton Conservation Trust. For more information on the event and registration, please visit www.marshalltontriathlon.net.

Plein Air Brandywine Valley

October 28–November 4, 2018

Plein Air Brandywine Valley is a week-long art competition, show and sale promoting some of the most scenic views of estates, landscapes, and water ways that add such beauty to our region. The event is a fundraiser for the Children's Beach House, an 80+ year old organization providing services to children with communicative disabilities and their families. Join artists in Marshallton on Tuesday, October 30th to watch them create; or join us at Winterthur for the opening reception on Friday, November 2nd at 7:00pm. Over 800 original photos and paintings will be displayed and offered for sale. The sale continues at the Visitors' Center at Winterthur and is free to the public on Saturday and Sunday. For details visit www.pleinairbrandywinevalley.org or call 302-655-4288.

78th Annual Chester County Day House Tour

Saturday, October 6, 2018

10:00am to 5:00pm

The Chester County Day House Tour will feature 16 homes and six public landmarks in the northeast quadrant of Chester County, PA, including Exton, Frazer, Chester Springs, Kimberton and Phoenixville. Proceeds support The Chester County Hospital's Neonatal Intensive Care Unit Expansion Project. Only a limited number of tickets are available, so don't miss out! Children ages 12 and older are welcome. Sorry... pets are not allowed. For information and tickets visit <https://www.chestercountyhospital.org/giving/support-an-event/chester-county-day>.

Marshallton Village Heritage Center

Thursday, October 18, 2018

11:00am

Friends of Martin's Tavern is happy to announce the Grand Opening of the Marshallton Village Heritage Center on October 18th at 11:00am! The Heritage Center is located between the Marshallton Inn and Four Dogs Tavern in Marshallton. Refreshments and light fare provided.

CHRISTMAS IN MARSHALLTON

Christmas House Tour

Saturday, December 1, 2018

10:00am–2:00pm

The Christmas in Marshallton House Tour is sponsored by Marshallton United Methodist Church. The tour includes 19 homes and public buildings; some dating back to 1724. Tickets, \$25 in advance and \$30 the day of the event, may be purchased by contacting the church at (610) 696-5247 or office@marshalltonchurch.org. That day the church building will also become a venue for shops with art, craft and homemade cookie sales, live music in the sanctuary, and a box lunch being sold for \$10. This is the perfect gift for that friend who has everything, or to say thanks to a neighbor. Get in the holiday spirit in charming Marshallton, established in the 1760's. The Tour is a celebration of Marshallton United Methodist Church's 190 years of mission and ministry. For more information contact Mary Evans at 484-653-1622.

Village of Marshallton Tree Lighting

Saturday, December 1, 2018

4:00pm–6:00pm

Celebrate the holiday season. See Santa arrive by wagon, listen to Colonial Carolers and enjoy tasty refreshments. Gather for the tree illumination at 6:00pm. For more information on this event sponsored by Friends of Martin's Tavern, please visit martinstavern.org.

West Bradford Fire Company Updates and Events

WBFC AUXILIARY HOLIDAY VENDOR BLENDER

Saturday, 11/24 from 10am–3pm

WBFC Substation
Corner of Poorhouse and
Marshallton-Thorndale Roads

Join the WBFC Auxiliary for a family friendly event. Buy from local small businesses for your holiday shopping. Santa Claus will be here to visit with the kids. There will be food and raffles as well. All proceeds go to the West Bradford Fire Company Auxiliary. Vendors interested in participating can contact Virginia Lewis at virginialewis0410@gmail.com.

FIGHTING TO PROTECT US

The volunteers of the West Bradford Fire Company are ready to protect our community, day and night. The Fire Company is always looking for residents who can join in their efforts to keep our Township safe. Even if you have only a few hours to spare, you can make a big difference! Call (610) 696-8409, or stop by the Main Station (1305 West Strasburg Road) or the Sub Station (1387 Campus Drive) on any Thursday evening. If you are too busy to lend a hand, write a check! Contributions are needed to help our volunteers deliver the emergency services on which our families rely. Checks payable to the West Bradford Fire Company may be sent to 1305 West Strasburg Road, West Chester, Pennsylvania 19382.

Do You Know?

ANSWER

Claude Raines lived at Stock Grange in the 1940's (answer c).

Kindness “Rocks” in West Bradford

On Friday, May 11th students from West Bradford Elementary School took part in planting their “Kindness Rocks” at the Broad Run Park kiosk garden! The event was the culmination of a cross-grade project between 1st and 4th graders, led by some fantastic teachers, and West Bradford Township Parks & Rec was more than happy to assist and be a part of this awesome initiative!

Aesop said, “No act of kindness, however small, is ever wasted.” The rocks that were planted in the Kindness Rocks Garden are meant to give comfort, hope, and inspiration to all who need it.

The Township and the students involved invite passersby to pick a rock, enjoy it, and pass it on. Leave it where someone else might find it. It may be a cliché that “kindness is contagious,” but that is our wish—to spread positivity in an uncertain world.

To find out more about the worldwide “Kindness Rocks Project” initiative, visit their website at www.thekindnessrocksproject.com!

Land Development Updates

Currently there are no subdivision applications under review.

Subdivisions Approved in Recent Years; Construction Not Yet Begun:

- Chidester: Two Lots at 1233 Cranberry Ln.
- B. Ross Capps/Krapf Subdivision: A two lot subdivision at 205 N. Wawaset Rd.
- Projects Now Under Construction:**
- Bright Glade Farm: A 37 single-family home subdivision at Glenside Rd.
- Buck Hill Farm: A 129 single-family home subdivision at Chestnut Ln.
- Hirst: A three single-family home subdivision at Marshallton Thorndale Rd. and Telegraph Rd.
- Marshallton Walk: A one single-family home and 12 twin home subdivision at 1440 West Strasburg Rd.

- Stargazer Village at Romansville: A 95 single-family home and 39 townhome subdivision at the intersection of Stargazer Rd. and West Strasburg Rd.
- Donnon: A three lot subdivision at 1501 Glenside Rd.
- Armstrong Engineers: A 10,000 sf office building at 1845 West Strasburg Rd.
- Tattersall Phase II: A 27 single-family home subdivision on to-be-constructed Silverbark Ln., a cul-de-sac street with access onto Tattersall Way.
- The Townes at Shannon Hill (formerly Mayfair): A 112 townhome subdivision at Boulder Dr.

All project plans are available for public review at the Township Building, Monday to Friday, 7:00am to 4:30pm.

West Bradford Youth Athletics

West Bradford Youth Athletics is a non-profit, volunteer organization that provides year-round sport programs for children of West Bradford Township and surrounding area.

WBYA strives to promote knowledge of the game and good sportsmanship, as well as the physical skills needed to play the game.

SPORTS OFFERED THROUGHOUT THE YEAR (BASED ON SEASON) ARE:

- Fall and Spring Soccer (*boys & girls*)
- Fall and Spring Challenger Soccer
- Fall and Spring Baseball
- Fall and Spring Softball
- Fall and Spring T-ball (*boys & girls*)
- Spring boys Lacrosse –
Need Commissioner
- Spring & Fall Golf (*boys & girls*)
- Summer Street Hockey
- Winter Indoor Soccer (*boys & girls*)
- Winter Basketball (*boys & girls*)
(Registration period September through October)

Show your support and promote your organization with a WBYA sponsorship. Sponsorships include your name on a team uniform. Field Signs are also available.

WBYA is currently seeking business donations (goods & services) for its Annual Winterfest Gala. The formal event is WBYA's largest fundraiser and is open to the public. Attendees enjoy fine dining, cocktails, auctions, and more. The date is to be determined, but it will be held at Downingtown Country Club in the spring of 2019.

For more information about WBYA's sports programs, events, and sponsorships, please visit our website, www.wbya.org. Want to be a WBYA Board member? If interested, please email office@wbya.org.

Downingtown Area Recreation Consortium

As part of their 25th anniversary, this summer DARC started a new community partnership program with businesses and civic organizations in our area. Many of you participate in the programming throughout the year, but DARC also wanted to increase offerings of family activities and increase awareness of the great organizations and businesses that our community is home to. DARC intends to offer these free (or reduced cost) activities on a seasonal basis for its 41,000 families as long as local partners interested in working with DARC can be found.

The initial partnership this summer with L.L. Bean's Outdoor Discovery

School allowed families to try out archery, paddle boarding, and kayaking at Marsh Creek Lake for free. It met with such rave reviews that DARC also decided to send camps there. To see photos and a description, go to the following link <https://longtrilahead.blogspot.com/2018/06/outdoor-discovery-school-marsh-creek.html>.

The fall brochure and website (www.darc.info) will list fall and winter Community Partnerships. Check them out! If you represent a business or civic organization that has a family friendly activity that you would like to offer to residents, please e-mail DARC at downingtownrec@gmail.com. 📬

D'town Brew Down at Kerr Park

The “Flushable Four”

If your property has a grinder pump, only four kinds of materials are permitted to be discharged into the sanitary sewer system:

- human waste and toilet paper
- food wastes processed through a garbage disposal unit (*but not grease*)
- water from sinks, tubs and dishwashers
- water from washing machines

All other materials can damage your grinder pump. This includes paint, adult wipes and baby wipes. Property owners are responsible for any damages caused by the discharge of prohibited materials.

Free Counseling from APPRISE During Medicare Annual Open Enrollment Period

Are you unhappy with your Medicare Advantage Plan or Part D Drug Plan? Are you thinking about making a change during this year's Annual Open Enrollment Period (AOEP), but are unsure about all of the options available? APPRISE counselors are specially-trained volunteers who can assist you in evaluating your options so that you can determine which will give you the best value in 2018. APPRISE is a free, health insurance counseling program offered by the Chester County Department of Aging. West Bradford Township will be hosting three days of APPRISE counseling at the Township Building, 1385 Campus Drive, Downingtown on **Thursday, October 25th, Monday, November 5th and Thursday, November 15th**. If you want to schedule a free, one-on-one, confidential meeting with a counselor, contact the Chester County Department of Aging at 610-344-5234. If these dates are not convenient, the Department of Aging can provide dates and times for other counseling sites throughout the county.

Tips for the Safe Use of Portable Generators

During long-term power outages many rely on portable generators for emergency power but many generators are installed and operated incorrectly and pose a real threat to the lives of family, neighbors and utility crews working to restore service.

FOLLOW THE TIPS BELOW WHEN INSTALLING AND OPERATING PORTABLE GENERATORS:

- To avoid electrocution, keep the generator dry. Do not use in rain or wet conditions. Operate it on a dry surface under an open canopy-like structure. Make sure your hands are dry before touching the generator.
 - Turn off all appliances and lights before you begin operating the generator. Once the generator is running, turn appliances and lights on one at a time to avoid overloading the unit. And don't forget to use safety-tested, shop-type electrical cords designed and rated for heavier, outdoor use.
 - Never try to power house wiring by plugging the generator into a wall outlet. This practice, known as “back feeding”, can lead to the electrocution of utility workers or neighbors served by the same utility transformer. The only safe way to connect a generator to house wiring is to have a qualified electrician install a power transfer switch.
 - Shut down your generator correctly. Turn off and unplug all appliances and equipment being powered before shutting off the generator. Drain the gasoline from the generator while it is being stored, and inspect the fuel and oil filters, spark plug, oil level and fuel quality on a regular basis... and before the next power outage!
- Follow the directions supplied with the generator. Incorrect generator use can lead to carbon monoxide (CO) poisoning from the toxic engine exhaust, electric shock, electrocution and fire. Never use a portable generator indoors and never use a portable generator in a garage, carport, basement, crawl space or other enclosed or partially-enclosed area...even with ventilation. Opening doors and windows or using fans will not prevent CO buildup in the home.
 - Generators should be at least 20 feet away from buildings. At even 20 feet away air flow patterns may still blow carbon monoxide into homes through attic vents, windows or doors. Keep the generator away from these openings and maintain a working carbon monoxide detector inside the home.

For more information on portable generators contact John Haynes, Emergency Operations Center Deputy Director, Chester County Department of Emergency Services, at (610) 344-5005. 📞
