

WEST BRADFORD TOWNSHIP
"Between the Brandywines"

BID NOTICE

Sealed proposals will be received by the Board of Supervisors of the TOWNSHIP OF WEST BRADFORD, 1385 Campus Drive, Downingtown, Chester County, Pennsylvania 19335 until **12:00 Noon on Wednesday May 8, 2024**, and will be opened on this same date at the Township Building at **1:00 P.M.** for the following:

Bids may be delivered or mailed to the Administration Office at the above address.

TRAFFIC LINES AND MARKINGS

Approximately:
115,000 L.F. double yellow line
150,000 L.F. single white line

Proposals must be submitted on the bid forms furnished by the Township and may be obtained at the Township Building or at www.westbradford.org. Bids must be submitted in a *sealed envelope* plainly marked **"LINES AND MARKINGS BID"** and *must include* on the outside of the envelope *the name, address and telephone number of the bidder*. All bids must be received by **12:00 Noon on Wednesday May 8, 2024** and will be **opened at 1:00 P.M.** that same date in the Township Building for review. All bids must be accompanied by a \$250.00 Bid Bond, having surety acceptable to the Township of West Bradford. In lieu of a Bid Bond, a \$250.00 certified check made payable to the Township of West Bradford may be submitted with the proposal. **A list of bids received will be presented to the Board of Supervisors on Tuesday, May 14, 2024 at 7:00 P.M. for consideration.**

The Township reserves the right, in its sole discretion, to reject any and all bids, for any reason. The Township reserves the right to waive any non-conformity with respect to any bid or any error with respect to the same.

GENERAL CONDITIONS & BID INFORMATION

GENERAL CONDITIONS TO BE MET BY ALL BIDDERS

1. A certified check, bank draft or bid bond payable to “West Bradford Township” in the amount of **\$250.00 shall be submitted with each bid.** Said amount shall be retained by the Township as liquidated damages if the successful bidder shall fail to execute the contract within 20 days of notice and provide a performance bond and payment bond as required.
2. Each successful bidder shall be required to sign a contract and shall furnish a **performance bond in the amount of 100% of the contract** guaranteeing the performance of the contract. The successful bidder will also furnish a **payment bond in amount of 100% of the contract.**
3. Each successful bidder must supply **certificates of insurance** to the Township naming the Township as additional insured for:
 - (a) Workmen’s compensation insurance that complies with the compensation laws of Pennsylvania.
 - (b) Automobile liability insurance with minimum limits of \$1,000,000 combined single limit bodily injury and/or property damage.
 - (c) Comprehensive general liability insurance with minimum limits of \$1,000,000 combined single limit bodily injury and/or property damage.
4. The Board of Supervisors reserves the right to reject any or all bids, to accept or reject any part of any bid, and to waive any informalities in any bid as is deemed in the best interest of the municipality concerned.
5. Contract period for in-place material will be May 14, 2024 to September 30, 2024. The Municipality will provide one-week notice for the start of the in-place contract. The work must be done by the principal contractor who has received the bid award. If the principal contractor intends to use a subcontractor for the work, that subcontractor must be named in the bid document. If, after being awarded, a subcontractor is chosen by the principal contractor, then that is subject to approval of the municipality.
6. The Supervisors have authorized the Township to participate in purchase contracts of the Pennsylvania Department of Property and Supplies. Any savings in cost, which may result from this participation, will take precedence over Township contracts.
7. Please state on the proposal form any exception that is taken to any general condition or specification.
8. All material ordered for delivery will be by verbal orders only from the Municipal Public Works Department or the Municipal Manager. Failure to deliver shall enable the participating municipality to order and receive material from other vendors without recourse from successful bidders. The purchase of material from other vendors shall not limit the municipality’s ability to exercise its rights under contracts with successful bidders, including but not limited to exercise of the performance bond. All orders will be followed by written communication from the municipality.

9. The maximum quantity which the Township will be obligated to purchase under contract is the actual quantity from time to time ordered, delivered, or received and accepted on purchase orders subject, however, to the conditions of the Escalator Provisions. Nothing herein contained shall be construed as an obligation of the Township to order or pay for any quantity of material other than the amount determined by the Township to be immediately necessary in anticipation of or for the completion of its work. Quantities listed in the proposal are merely for the comparison of bids.
10. When the bid is for more than one item, the municipality reserves the right to award separate contracts for each item or combined items under a single contract, or to reject any or all bids if deemed in the best interest of the municipality. The municipality also reserves the right to award separate contracts for each item for separate time periods to insure availability of material to the municipality for the entire contract period.
11. For multi-municipality bids, each municipality herein listed shall be named in the performance bond and payment bond for its proportionate share, and the exercise of this bond by any municipality shall not exclude any other municipality from doing the same, nor shall that be construed to be an enjoinder of all municipalities to that action, unless so specified by each municipality.
12. ORDERS: For multi-municipality bids, each municipality shall be responsible for placing its own orders, receiving shipments, checking each delivery for compliance with these specifications, and make payment to the vendor. West Bradford Township will not be responsible for the obligations of any other municipality.

MECHANICAL SPECIFICATIONS PROVIDE IN-PLACE TRAFFIC LINES AND MARKINGS

1. Furnish all labor, material and equipment to provide and place traffic lines and markings as noted in the technical specifications. All materials and construction methods shall conform to the Pennsylvania Department of Transportation Form 408 specifications.
2. The successful bidder will be required to provide adequate protection for any equipment parked on Township streets during off-hours. The successful bidder will be responsible for all traffic control. All traffic control shall be in accordance with PennDOT publication – Work Zone Traffic Control 213.
3. Excluding parking lots, all pedestrian crosswalks, gore areas, median areas, legends, arrows and stop bars shall be comprised of hot thermoplastic pavement markings per PennDOT special provision S00(SM09601A).

Special Provision S00(SM09601A) Hot Thermoplastic Pavement Markings or Legends

Description – this work is the furnishing and installation of pavement markings or legends on the road surface, of the type indicated, and with a surface application of glass spheres.

Materials:

- (A) White and yellow reflective thermoplastic striping material – AASHTO-M249, Type 1 as listed in Bulletin 15.
- (B) Glass beads – AASHTO-M247

Construction:

- (A) General – for adhesion, provide required satisfactory cleaning of the road surface and necessary pre-treatment, including binder material. Apply on dry pavement when the air temperature is between 5C and 30C and when the wind speed is less than 30 KM per hour.
 - (B) Guarantee – where directed, replace material that has not remained within reasonably close conformity to location or has not remained effective in performing useful service for a period of 6 months from the date of the installation. The required service is as follows:
 - For intersection units. 90% of material remaining, where the intersection unit is defined as material on an approach leg within 50M of the intersection.
 - For midblock units. 90% of material remaining for lane lines and for each individual legend, symbol, crosswalk or stop line.
4. Crosswalks: White. Consisting of 6" wide side lines with 24" wide 45° diagonal lines. Work to be paid per lineal foot for each width line applied. Example: 20' long crosswalk with 5-9' long 24" diagonals would be 40 L.F. of 6" plus 45 L.F. of 24".
5. Stop bars: White. 24". Paid per lineal foot of material applied.

Scope of Work Summary

DOUBLE LINE	(Approximately)	SINGLE LINE
115,000 L.F.		150,000 L.F.

BID FORM

QUANTITY

The maximum quantity of material which the Township will be obligated to purchase under contract is the actual quantity from time to time ordered, delivered or received and accepted on purchase orders subject, however, to the conditions of the escalator clause. Nothing herein shall be construed as an obligation of the municipality to order or pay for any quantity of material other than the amount determined by the municipality to be necessary for the completion of the road listed. The municipality reserves the right to change or add roads as the case may be. Quantities listed in the proposal herein are for the comparison of bids.

I hereby certify that the materials to be sold to the municipality will meet the minimum specifications of this proposal. It is also understood that the Township participates in purchase contracts of the Pennsylvania Department of Property and Supplies, and that any savings in cost which may result from this participation will take precedence over Township contracts. Any exception to this procedure must accompany the proposal.

CONTRACT

IN-PLACE TRAFFIC LINES AND MARKINGS

The following named company does hereby agree to supply materials as listed and as set forth in their proposal of May 8, 2024 and subject to all general conditions and bid information set forth by West Bradford Township in its request for bid.

COMPANY NAME: _____

CONTRACT FOR: IN-PLACE TRAFFIC LINES AND MARKINGS 2020

Approximately: **115,000 L.F. double yellow line**
150,000 L.F. single white line

TOTAL AMOUNT OF CONTRACT: Per attachment #1.

The supplier shall submit a performance bond in the amount of 100% of this contract with this executed contract. It is understood that this amount will be forfeited to the municipality in the case the supplier fails to comply with the requirements of the contract. A payment bond in the amount of 100% of the contract must also be submitted.

The supplier will comply with all requirements of the laws and implementing regulations of the Commonwealth of Pennsylvania and the United States relating to human relations, equal opportunity, and non-discrimination in employment, and will pay to workmen employed in the performance of the contract the wages to which they may be entitled and, when required by law, not less than the applicable prevailing wage.

The supplier must provide a Certificate of Insurance as specified in the general conditions and bid information.
