

42ND MARSHALTON TRIATHLON OCTOBER 4

It's the oldest triathlon in Chester County! Contestants bicycle, canoe and fast walk across ten miles of beautiful countryside. Claim a prime viewing spot by the river and watch as paddlers wind their way down the Brandywine Creek. Or camp-out near the finish line at the Marshallton Inn and cheer on participants as they make that last, frenzied push to complete the race.

Think you have what it takes to compete? Then don't miss out on the opportunity to be a part of our community's premiere sporting event, and register today. For more event and registration information visit marshalltontriathlon.net .

The Triathlon is proud to benefit the West Bradford Fire Company and the Marshallton Conservation Trust.
