

WEST BRADFORD TOWNSHIP

"Between the Brandywines"

WEDNESDAY IS HOLIDAY COLLECTION DAY

If a regularly-scheduled refuse, recycling or large item collection day falls on a holiday, collection for that day will be rescheduled for the Wednesday of the holiday week.

This means to only put out on Wednesday whichever collection (refuse & large item or recycle) would normally fall on Monday; the holiday. Your Tuesday collection will remain on the scheduled day.

| HOLIDAY: | COLLECTION IS: |
|----------------------------------|-------------------|
| Monday, May 29 (Memorial Day) | Wednesday, May 31 |

A REMINDER: Per Township Ordinance, please do not put your recyclable toter out on refuse day, or your refuse toter out on recyclable day. Do not put trash in your recyclables or recyclables in your trash. The Township thanks you for your cooperation!

WANT TO SAVE MONEY?

Did you know that by maximizing the use of your toter space, we could save on landfill fees? Yes, it's true! Disposing of bulk items costs more than regular trash.

Items that shouldn't go in your toter are e-waste (computers, printers, phones or flat screen T.V.'s). Those items can be brought to the Township Building. Anything with Freon is \$20.00. Mattresses & box springs cost \$30.00 each for us to pick up and dispose of properly. Also, microwaves (remove glass tray) can be taken to the compost site for disposal. Check our website for more details.

Marshallton Conservation Trust

MARSHALLTON SOUPER SUPPER & SPRING MEETING

Thursday, April 13, 2023 | 6PM | Marshallton Inn

The Marshallton Conservation Trust announces the return of its annual Souper Supper and Spring Meeting at the Marshallton Inn. Join your friends and neighbors for a bowl of delicious soup and conversation during this informative evening led by a panel of community representatives that will provide an update on important topics of shared interest for the Village of Marshallton. For more information, please visit www.marshalltonconservationtrust.org.

MARSHALLTON MEMORIAL DAY PARADE & CEREMONY

Sunday, May 28, 2023 | 1:30PM

The Marshallton Conservation Trust is proud to present the 2023 Marshallton Memorial Day Parade and Ceremony to salute the brave men and women who have served, those who continue to serve, and those who have made the ultimate sacrifice for our country. The parade lineup will include the Marine Corps Color Guard, colonial re-enactors, dignitaries, Boys and Girls Scouts of America, a bike parade, antique cars, and West Bradford Fire Company trucks. For more details on the parade and registration information for the bicycle contest, please visit www.marshalltonconservationtrust.org.

An Experience That Will Last A Lifetime!

Chester County Camp Cadet is a fun and unique overnight summer camp for kids ages 11-13 who reside in or attend school in Chester County. Camp Cadet of Chester County was established 1971 as a way to promote good relations between police and young people.

Our program provides kids with an understanding of law enforcement activities as well as comfort with the professionals who serve their communities.

Cadets live in an atmosphere modeled after the State Police Academy where emphasis is placed on improving self-discipline, confidence and self-esteem. During this action-packed week, Cadets will learn teamwork and the benefits of making good decisions as well as respect for authority and each other. Troopers and other specially selected law enforcement professionals, both male and female, serve as counselors.

Our program is offered exclusively to young people residing in Chester County at no cost to their families. To be eligible, cadets must be at least 11 and not yet 14 by the first day of camp. Cadets must live in or go to school in Chester County. Selection to attend our camp is based on numerous factors and is at the discretion of the Camp Director. www.cccampcadet.org

Residents who utilize their banking institutions "bill pay" feature, please confirm that the account number you are referencing matches exactly how it is displayed on your utility bill.

WAYS TO PAY FOR YOUR UTILITY BILLS

West Bradford Township is excited to offer residents easy and convenient methods to pay their utility bills.

NO FEES:

- **Mail or bring a check** to the Township Building (1385 Campus Drive, Downingtown, PA 19335).
- **Online** bill pay through your bank (make sure to reference your 10 digit account number).
- **Go to TD Bank** at 3821 W Lincoln Highway, Downingtown, PA 19335 (only this branch) and bring your payment stub and check.
- **Set up automatic payments.** You can do this by going to our website to download the form. www.westbradford.org/documents/files/automatic-bill-payment-form-refuse-sanitary-sewer-and-hydrant-fees.

Complete the form, attach a voided check and mail it to:
West Bradford Township
1385 Campus Drive
Downingtown, PA 19335

FEES:

- Call the Township or go to the Township Building and pay by **credit card (there is a 2.50% fee).**
- You may also make a payment by phone or check your account balance 24/7 with our automated phone service. Call (844) 810-7245 or make a payment by going to our website westbradford.org and click Online Payments. There is a per transaction limit of \$300.00.
- A service fee of \$4.50 will be applied to all credit card payments and a fee of \$1.50 will be applied to all payments made via electronic check (ACH/EFT).

Partners in Preservation West Bradford Township

From The “The Catalyst Fall/Winter 2022”

For over 40 years, the Brandywine Conservancy has been working with landowners and officials in West Bradford Township to help preserve land and protect key resources. Nestled between the East and West branches of the Brandywine Creek in Chester County, PA, the Township is rich in natural, agricultural, historical and cultural resources, including important wildlife habitat which supports critical species. It's also home to Broad Run, a significant tributary classified as an Exceptional Value Stream by the Commonwealth of Pennsylvania. In partnership with the Conservancy, Township Supervisors have made great strides over the years to manage activities that may adversely affect the existing environmental integrity of the land. Among other accomplishments, West Bradford's successful history of proactive planning has led to land acquisitions for open space that serves the public's need for both passive and active recreation while also maintaining the Township's ecological value, rural character and sense of place.

In recent years, the Conservancy has developed several new direct and indirect preservation tools that have been used to assist the Township in their objectives to integrate publicly accessible trails and recreational sites—when appropriate—with preserved acreage that is critical for agriculture and the protection of natural resources, as well as safeguarding floodplains to mitigate the potential effects of climate change. The Conservancy's comprehensive approach utilizes the combined expertise of the organization's Land Conservation and Municipal Assistance Program staff and provides education and guidance to residents and elected officials.

A CONSERVATION-MINDED COMMUNITY

In the fall of 2017, the Conservancy assisted West Bradford with implementation of an open space

referendum, which—after overwhelming support from residents—created a dedicated earned income tax to be used for preserving land within the Township. Since then, the proceeds from this small tax have created a fund that will allow the Township to increase its efforts in preserving the rural character, historic culture and environmental integrity of the area—all critical components to maintaining the quality of life in the Township. Subsequently, the Board of Supervisors directed the Conservancy to assist their Land Preservation and Sustainability Committee to provide recommendations on how to best allocate the funds for future land preservation efforts.

PLANNING FOR FUTURE GROWTH

As the Township looks toward the years ahead, balancing the needs of residential growth with open space preservation will remain a key focus. To assist with ongoing planning efforts, the Conservancy's Municipal Assistance Program provided mapping assistance to Tom Comitta Associates in their update to the Township's 2020 Comprehensive Plan Update. This document is the foundation for zoning and growth in West Bradford Township through the year 2030. Since the adoption of this document, the Conservancy has continued to work with the Township to review, revise and draft amendments to zoning ordinances that are consistent with the plan. This holistic guidance is allowing the Township to have a complementary approach to preservation and growth.

Additionally, the Conservancy is finalizing the Township's Open Space, Recreation and Environmental Resources Plan Update (OSRER), which identifies key

opportunities for future open space preservation, recognizes the current and potential future demands for recreational parks and facilities and provides a vision for a bicycle and pedestrian transportation network that connects residents to parks, schools, cultural amenities and local businesses. In essence, the OSRER will integrate the use of the land with the needs of its community members.

A MODEL FOR SUCCESS

The results of the Conservancy's partnership with the Township have been highly successful to date, and it serves as a model for other communities in the region. Working with the organization's Land Conservation staff, West Bradford has maximized its open space resources by leveraging Township funds with county and state funding. The Township has also initiated an exciting new program to purchase properties, place easements on them, and sell to private owners—using any profits to further preservation efforts. Two such transactions were recently completed, and there are more currently in progress.

“The Township could not be more pleased with the progress we have made through the work of our Board of Supervisors, Land Preservation Committee, and our partners at the Brandywine Conservancy,” said Township Manager Justin Yaich. “We look forward to continuing these important relationships to advance our preservation goals.” 🍂

Events are Blooming this Spring at the Coatesville Library!

Your local library is welcoming spring with events for the entire family! Our new Kids' Zone opened in January & young readers have been enjoying this interactive learning environment. The Kids' Zone is open 3 times each week and has multiple age-appropriate activities including crafts, LEGO, pretend play, and reading. This room is designed for children to explore & play with their parents. Please check our online calendar for the schedule: ccls.libcal.com/calendar/coatesville.

We offer Preschool Story Time 2 times each week on Wednesdays and Fridays at 10:30 AM. We have a new theme every month and these programs are filled with stories, songs, crafts, and fun!

We are pleased to announce a new virtual author series at the library! Community members have the opportunity to attend live, virtual talks 3 times each month with popular authors. Please visit our website at www.coatesvillelibrary.org and click the "Events Calendar" to see programs that are coming soon. These programs are completely free and recordings of past events are available to watch. Our Summer Reading Program is right around the corner! Keep an eye on our website to see the exciting events that will be happening this summer! 🌸

Preschool Story Time twice a week at the Coatesville Library!

Ms. Greta from Antur Storytelling captivated audiences at the Grand Opening of our Kids' Zone!

There is a new virtual author series at the Coatesville Library!

West Bradford Youth Tennis Program

The Philadelphia Area Team Tennis Association is back again with its affordable local team tennis program at Broad Run Park for two age groups and experience levels! The Red Division is open to boys and girls ages 5 to 8 who are beginner or intermediate players (usually grades PK-2). The Orange Division is for children 9 to 10, and more experienced 8 year olds (usually grades 3-4). There are limited spots available and registration is on a first-come, first-serve basis, so please register ASAP. The program runs from April 15 through June 3. The fee for West Bradford residents is \$75 per player, and includes a uniform shirt, award and end-of-season activities. The non-resident fee is \$90. For more information visit www.local.phillyteamtennis.org/localspring, or contact Justin DePietropaolo at (610) 450-4816, or justin@phillyteamtennis.org. 🌸

DOWNTOWN LIBRARY

DOWNTOWN LIBRARY

We are offering these exciting events and programs this Spring, plus many more!

SPRING BOOK SALE

(In-person weekend event)

Friday, March 17th from 4pm-7:30pm

Saturday, March 18th from 9am-4pm

Sunday, March 19th from 1pm-4pm

Books, books & more books! Come browse our great selection of gently used books during our Spring Book Sale, all proceeds benefit the Downingtown library. Please bring your donations of gently used books into the library from February 21st to March 13th.

SPRING CLEANING WITH ESSENTIAL OILS

(In-person program, registration required)

Thursday, March 9th at 7pm

COLLEGE ADMISSIONS PLANNING ZOOM

(Virtual program, registration required)

Wednesday, March 15th from 7-8pm

READY, SET, PEEP!

(In-person event, registration required)

Monday, March 20th through

Monday, April 3rd

A fun family friendly event for individuals or groups to create a scene from a classic story within a shoebox using Peeps! They will be displayed in the library for everyone to enjoy for two weeks.

HISTORY OF MOTHER'S DAY

(In-person program, registration required)

Tuesday, May 16th 7-8pm

A riveting program about the history of Mother's Day and Anna Jarvis, the founder of Mother's Day who then spent 24 years trying to destroy it.

Find additional programs and events, plus register for these programs and more at www.DowningtownLibrary.org.

WEST BRADFORD YOUTH ATHLETICS (WBYA)

WBYA is a volunteer, non-profit organization providing recreational sports programs for children in our community. Our focus is to give kids a safe place to play with a focus on teamwork, sportsmanship, respect and fun.

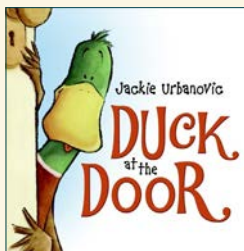

We're wrapping up another successful Basketball season with 600 kids dribbling, shooting and scoring all winter long. Spring golf, soccer and lacrosse seasons are about to start with signups for Summer street hockey and track & field on the horizon.

Our 1st annual Winter Cheer at Downingtown's Victory Brewing was a huge success with many friends in our WB community coming together for a night of fun to raise money for our Scholar Athlete Fund, providing scholarships to graduating DASD seniors who've participated in WBYA in their youth. Mark Barnes (street hockey) and Mark Hineman (lacrosse) were honored for their exceptional commitment to making WBYA great for the kids!

For more information about our programs, to become a sponsor, to get involved or to donate to the Scholar Athlete Fund, please visit wbya.org!

FEELING DUCKY STORYWALK

West Bradford Township would like to invite you out to our two new storywalk adventures @ Shadyside Park & Broad Run Park.

Please join us for these fun and educational storywalks. They place pages from some of our favorite children's books along the trails in our community. It is fun for children of all levels to enjoy the outdoors and read with family and friends!

Presented to you by the West Bradford Parks Dept., Recreation Commission and special thanks to the Downingtown Library for providing the books.

Downingtowntown Area Recreation Consortium (DARC)

DARC, supported by West Bradford Township, is planning numerous activities for the Spring session. Sign up for some great recreational opportunities and stay active. We are excited to announce many new programs this spring. Try our new lunch time kettlebell or HIT classes hosted by Kinetic Physical Therapy at USTC-mezzanine! For a complete listing of our offerings visit our website www.darc.info.

BUS TRIPS

Join us for one of many bus trips this year! All trips depart at 7:15am from Downingtown and returning around 8:30pm.

March 11: Wicked on Broadway

April 1: Cherry Blossom Festival in Washington DC

April 22: New York City On Your Own

May: 6: Cape May Winery Tour

FREE ICE SKATING DAY

Saturday, April 22 at 5:30pm – 7:00pm at Power Play Ice Rink for an evening skate. Skate rental is included. Check out our website for all the details and to sign-up. www.darc.info FREE and FUN for the whole family!

DISCOUNTED MOVIE TICKETS are available for purchase to Movie Tavern in Exton and Regal Theaters at all locations. Discounted Amusement Park Tickets will be available in May 2023!

SUMMER CAMPS

Summer will soon be here and with it will come a wide variety of camps for children and teenagers. We will host our popular playground camps in West Bradford and Adventure Camp for elementary and middle school students in neighboring townships, along with a variety of specialty camps. Registrations opened Wed., February 15, 2023.

HIRING SUMMER CAMP STAFF

Do you want to make a positive impact on children, spend time outdoors and make new friends? If so, then you need to join the DARC Summer Camp Counselor team! If your child must complete a graduation project, consider joining our Counselor in Training Program to work with our Playground Camps. Questions call: 610-269-9260. 🐸

FREE YOGA IN THE PARK

Come out and enjoy some nice weather and our beautiful Shadyside Park as the West Bradford Township Parks Dept. is bringing you a free yoga program again this year. Dates and times will be on the website soon.

Arrive early, stay late, come late, leave early, just come on out! Whether you're a novice or pro or never even tried yoga before, just come out and have some fun. Bring your own mat and towel.

West Bradford Fire Company

The West Bradford Fire Company responded to over 300 calls for service in 2022. Those calls were answered by a dedicated group of volunteers that give their time serving those in a time of need; whether it be an automobile accident, fire or a public service such as a cat in a tree (yes we do those types of rescues), among many other types of emergencies. We have approximately 25 active members that answer emergency calls and approximately 20 other members that assist with station maintenance, Board of Directors, Auxiliary and other important positions that allow us to continue to serve our

communities. We are always looking for new faces and we are sure we could find a position for you to fill. Stop by the station any Thursday evening at 7:00pm and discuss the future with us.

We would also like to remind you to check your smoke and carbon monoxide detectors monthly. Replace your batteries in those devices at least once per year if they use batteries. Change the detectors every 8 to 10 years or as recommended by the manufacturer. And as always, we appreciate the support you give through our annual fund drive. Thank you.

READY FOR A LITTLE SPRING CLEANING?

Declutter your home by donating items and help support West Bradford Fire Company. On May 13th from 8am to noon, West Bradford Fire Company Auxiliary will be hosting their annual community yard sale at the sub-station located on the corner of Marshallton Thorndale Road and Poorhouse Road.

Donations are needed for the following items in good condition:

- Household Items
- Sports Equipment
- Furniture (indoor or outdoor)
- Toys and Books
- Tools and Equipment
- Antiques and Jewelry
- Electronics

Organizers will collect items every Thursday night at the sub-station (1387 Campus Drive, West Bradford) from April 13th thru May 11th from 6:30pm to 8pm. All proceeds from the sale of donated items will benefit West Bradford Fire Company Auxiliary.

We will not accept the following items: Mattresses, sleeper sofas, baby car seats, FAX machines and telephones, halogen lamps, large appliances, building products, magazines, encyclopedias, pianos, organs, ceiling fans, broken or chipped glasses and plates, torn or stained clothing, school uniforms, worn or stained furniture, and particle board furniture.

We are also looking for vendors selling their own yard sale items and/or crafts that day for a donation of \$25 per space. For more information on being a vendor or to make special donation arrangements, please email WestBradfordYardSale@gmail.com. 📧

REMEMBER THE "FLUSHABLE FOUR!"

If your property has a grinder pump, only four kinds of materials are permitted to be discharged into the sanitary sewer system...

1. Human waste & toilet paper;
2. Food wastes processed through a garbage disposal unit (but not grease);
3. Water from sinks, tubs & dishwashers; and,
4. Water from washing machines.

All other materials can damage your grinder pump, and this includes all varieties of adult and baby wipes. Property owners are responsible for any damages caused by the discharge of prohibited materials.

WEST BRADFORD SCOUTING MINUTE

**By: John Bossong III,
WB Scouting Coordinator**

Wintertime is full of fun activities. First of all Troop 52 would like to thank the citizens of West Bradford for allowing us to have our annual fundraiser of picking up your Christmas trees. We collected over 425 trees this year over 3 weekends. Thanks to you our scouts have earned some much needed money for summer camp!

All of our units have been busy this Winter with activities. Both packs 215 and 152 participated in caroling and creating cards for residents in a nursing home. They are both gearing up for the annual Pinewood Derby. This is where the cubs create a car out of a wood block and compete on a track. The winners go to the district competition and then the Council competition. After the derby they will be planning their annual banquet where the scouts rank up and or move on to boy scouts.

Our Troops had the honor of awarding two scouts as Eagle! Lauren Tyree of Troop 19 and Tyler Mordosky. Congratulations! The Troops will be participating in the Council's Annual Klondike Derby! This is where troops create a dogsled and compete at Camp Ware all weekend. If it snows its a super time, but without snow they add wheels and still have a great time!

All units are preparing for Spring with camping trips and outdoor activities. One of the places we camp is Camp Linden here in West Bradford. It's a fun weekend where we are close to home for any first time campers who may be a little anxious. We are all looking forward to Spring!

If you are interested in scouting, please email us at wbscoutingunits@gmail.com. Stop by a meeting-Pack 152 meets the first Wednesday of each month at West Bradford Elementary. Pack 215 the first Monday at Bradford Heights while both troops meet at Marshallton United Methodist Church every Thursday at 7.

Make Your Yard A Wildlife Preserve

Are our lawns deserts? For many animals and insects they are since the United States' 40 million acres of lawn (the size of New England!) eliminate the variety of plants they need. While lawns are essential places for play and have aesthetic value, maintaining them also costs homeowners, on average, \$125 (2021) or up to \$500 for larger yards like those found in West Bradford. But there's a solution – transforming even a fraction of your property into a “Homegrown National Park” (homegrownnationalpark.org). This is a national effort to educate and celebrate landowners.

ELIMINATING SOME LAWN WILL:

- **Sustain a viable food web:** Landscapes of only one species break the food web. For example, caterpillars in our trees feed hundreds of bird species' babies – seed bird feeders cannot fill this gap.
- **Nurture diverse pollinator communities:** They not only pollinate our crops, but also 90% of all flowering plants. Grass doesn't support pollinators, and lawn fertilizers actively kill them.
- **Protect watersheds:** Grass has shallow roots, exacerbating stormwater run-off that can flood our houses and infrastructure while also transporting lawn chemicals to streams and ponds where they damage drinking water and aquatic animals.
- **Store carbon:** Holding harmful carbon in plants helps with the climate crisis. Lawn holds the least carbon, and mowing returns it to the atmosphere. Additionally, gasoline-fueled lawn equipment burns the fossil fuels that cause the problem – and destroys the quiet of our spring and summer days.

BETWEEN THE BRANDYWINES —A HISTORY OF WEST BRADFORD TOWNSHIP BY CATHERINE QUILLMAN

Between the Brandywines contains more than 400 pages and includes over 250 photos, maps, and drawings. The book is available for purchase at the Township Building for \$25.

TEMPLE-WEBSTER-STONER HOUSE 15" X 20½" ART PRINTS BY RICHARD BOLLINGER

Produced on the finest quality acid-free paper, each print has been personally signed and numbered by the renowned artist Richard Bollinger. Each print is \$75, 15" x 20 ½" unframed, and is available for purchase at the Township Building.

If you choose to increase your non-mowed area, make sure you tell your neighbors. That way, they don't think you're just letting things go, and they might be inspired to join you. You can also raise this topic at HOA meetings. Learn more and register your yard habitat at the “Homegrown National Park” site, take a look at the native plant resources on the Land Preservation & Sustainability Committee's webpage, and come to the “Garden Habitat” presentation on March 9th (*see below*)!

Much of this info is adapted from Doug Tallamy's 4-minute video, “Why is Reducing the Area of Our Lawns so Important?” that you can find on YouTube. 🦋

CREATING A BEAUTIFUL GARDEN HABITAT THURSDAY, MARCH 9 AT 6:30 - 8 PM

West Bradford Township Building, 1385 Campus Drive, Downingtown

We are fortunate to live in an area of Pennsylvania with an abundance of open space, and fortunate to have residents who value and protect it. You can protect and enhance your personal piece of nature, whatever the size. A planter on your patio, the few square feet around your house, acres of meadow, or an area of common ground in your community. There will be a short presentation by Broad Run Native Gardeners, followed by a discussion. Join us to learn why this is important.

“Please spread the word to your gardening friends, your HOA members, anyone you know who might be interested. There will be books to browse, resource lists, and people to answer questions. Mark your calendars please because nature needs our help.” – Marian Pflaumer
