WEST BRADFORD TOWNSHIP

"Between the Brandywines"

Land Preservation & Sustainability Committee

The Land Preservation and Sustainability Committee has been busy educating West Bradford landowners about the benefits of conservation and agricultural easements. On January 8th, a "Conservation Conversation" was held at Temenos where experts from Brandywine Conservancy, Natural Lands and The Land Conservancy of Southern Chester County explained options for conservation easements and answered West Bradford residents' questions. In addition, one West Bradford family who recently put their property under easement described their positive experience with the easement process. The goal of the evening's program was to provide information to West Bradford residents who may be interested in conserving their land and connect those residents to experts who can help them learn more. An additional program is being planned for later this year. In the meantime, if you are interested in finding out if land or agricultural easements are right for you and your family, please call or email Justin Yaich, Township Manager at (610) 269-4174 or jyaich@westbradford.org.

Supervisors Elect William R. Christman, III

In keeping with the long-standing tradition of rotating the Chairmanship of the Board of Supervisors, Supervisor William R. Christman, III was elected Chairman for 2019. Mr. Christman and his wife have been residents of West Bradford

Township for about six years. They have a four-year old daughter. Mr. Christman is an attorney with Lamb McErlane PC, specializing in municipal and election law and has worked for the County of Chester in various capacities. He received his law degree from Widener University School of Law and a B.A. in Political Science from West Chester University.

Wednesday is Holiday Collection Day

If a regularly-scheduled refuse, large item or recycling collection day falls on a holiday, collection for that holiday will be rescheduled for the Wednesday of the same week the holiday falls in. A reminder: Per Township Ordinance, please do not put your recyclable toter out on refuse day, or your refuse toter out on recyclable day. Do not put trash in your recyclables or recyclables in your trash. The Township thanks you for your cooperation!

FOR THE FOLLOWING HOLIDAY:	COLLECTION WILL OCCUR ON:
Monday, May 27 (Memorial Day)	Wednesday, May 29 (refuse, large item and recycling)

Land Development Updates

The Following Project is Now Under Land Development Review:

- 1461 Oakwood Rd.: Three lots
- ### Subdivisions Approved in Recent Years;

Construction Not Yet Begun:

- Chidester: Two Lots at 1233 Cranberry Ln.
- B. Ross Capps/Krapf Subdivision: A two lot subdivision at 205 N. Wawaset Rd.

Projects Now Under Construction:

- Buck Hill Farm: A 129 single-family home subdivision at Chestnut Ln.
- Marshallton Walk: A one single-family home and 12 twin home subdivision at 1440 West Strasburg Rd.
- Stargazer Village at Romansville: A 95 single-family home and 39 townhome subdivision at the

intersection of Stargazer Rd. and West Strasburg Rd.

- Donnon: A three lot subdivision at 1501 Glenside Rd.
- Armstrong Engineers: A 10,000 sf office building at 1845 West Strasburg Rd.
- Tattersall Phase II: A 27 single-family home subdivision on to-be-constructed Silverbark Ln., a cul-de-sac street with access onto Tattersall Way.
- The Townes at Shannon Hill (formerly Mayfair): A 112 townhome subdivision at Boulder Dr.

All project plans are available for public review at the Township Building, Monday to Friday, 7:00am to 4:30pm. ☞

What You Can Do to Prevent Stormwater Pollution

- Keep litter, pet waste, leaves and debris out of street gutters and storm drains—these outlets drain directly to lakes, streams, rivers and wetlands.
- Apply lawn and garden chemicals sparingly and according to directions.
- Dispose of used oil, antifreeze, paints and other household chemicals properly—not in storm sewers or drains.
- Clean up spilled brake fluid, oil, grease and antifreeze. Do not hose them into the street where they can eventually reach local streams and lakes.
- Control soil erosion on your property by planting ground cover and stabilizing erosion-prone areas.
- Wash your car on the grass or gravel driveway to minimize runoff.
- Have your septic system inspected

and pumped, at a minimum every one to three years, so that it operates properly.

- Purchase household detergents and cleaners that are low in phosphorous to reduce the amount of nutrients discharged into our lakes, streams and coastal waters.
- Limit paved surfaces. Impervious surfaces such as sidewalks, parking lots, roads, and driveways prevent water from percolating down into the ground, cause runoff to accumulate, and funnel into storm drains at high speeds. Use alternative surfaces such as gravel and porous pavement for improvement projects.

This Watershed Protection Tip is part of West Bradford Township's ongoing efforts to provide public education on stormwater management and the protection of our environment. ☞

Road Department Updates

2019 ROAD PROGRAM

This spring and summer West Bradford Township will continue implementation of its twenty-year road program. This program is designed to maximize the useful life of infrastructure through an aggressive maintenance plan and appropriately scheduled capital improvements. The program allows the Township to maintain nearly 75 miles of roads in good condition.

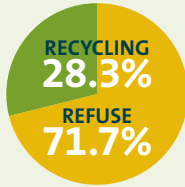

The maintenance plan includes pothole repair, street sweeping, roadside brush trimming, road crack sealing and patch milling. The capital plan includes the replacement of culverts and storm water pipes and the resurfacing and reconstruction of roads. On average, the Township resurfaces and/or reconstructs between three and seven miles of roadways each year. The number of roads treated depends on many factors, including the extent of repairs needed, the cost of materials and the damage done during the winter months.

As such, road projects are often subject to change, but as of this time the projects proposed in 2019 include work on the following: **Base course application to unimproved section of Broad Run Road between Telegraph and Clayton Roads, as well as in-place paving to complete Romig Road, Stonegate Drive, Sawmill Road, a portion of Glen Drive, Kerwood Lane, Lawson Lane and Decatur Court.** Motorists using the above-noted roads may experience delays during construction.

Residents on these roads will receive a written notice from the Township before any work begins.

West Bradford Township Recycles!

The more we recycle, the less refuse we have to dispose of at the landfill, for a substantial savings to our community. Every dollar saved and earned is retained in the Refuse Fund...helping to keep our collection fee as low as possible. To say nothing of helping our environment! The Township pays \$65 for each ton of refuse dumped at the landfill. Beginning mid-2018, the Township now pays a fee of \$25 for each ton of recyclable materials we dispose of. The markets for these materials have significantly changed and buyers are much more particular in the products they will process. It is more important than ever that our materials are clean so we request that you continue to follow our guidelines. Our only change in materials collected is that we no longer accept shredded paper. Visit our website or call our office if you have questions or need additional information. In the fourth quarter of 2018 approximately 28.3% of that collected curbside was recyclable materials. During this three-month period, the Township collected 1,054.72 tons of refuse and 415.71 tons of recyclables, saving us \$16,628.40 in landfill fees. West Bradford Township has a goal of 35% recycling. Please help us reach this goal!

West Bradford Township will offer curbside collection of leaves, sticks and brush on three Wednesdays this Spring... April 3, April 17 and May 8. This convenient service is available to West Bradford residents at no cost, as yard waste in totes is not permitted. Repeat offenders who put yard waste in their totes will be fined.

Leaves must be placed in biodegradable collection bags which may be purchased at the Township Building (\$0.50 /bag), or at local hardware stores. Please do not mix sticks in with the leaves. Place them in separate bags or bundle them together. Do not staple bags shut.

All brush must be tied with biodegradable twine (such as cotton or hemp) into manageable bundles no

longer than four feet. Please note branches thicker than four inches cannot be collected.

Collection is by appointment only! To ensure your spot on our list, please contact the Township at (610) 269-4174 or at pmurdoch@westbradford.org by 2pm the day before your preferred collection day. 🍃

Portable Basketball Nets

Residents should be aware that portable basketball nets should not be placed in or along the roadway. These nets are considered an encroachment in the public right of way and can create a safety concern for others. These nets can also hinder us in our refuse/recycling collection along with winter maintenance operations. If you currently have one, please remove it from the street and place it on your property.

Online Bill Payment is Here!

West Bradford residents can make payments online with a credit/debit card or bank account. Features include:

- View and pay online anytime, anywhere—on your computer, mobile device, by phone, or through text message with credit/debit card or e-check.
- Receive email reminders when a payment is due and a confirmation after making a payment.
- Make a one-time payment or register to gain access to all features.
- Schedule your payment for a specific date.
- Pay by phone 24/7.

Invoice Cloud is our online bill pay service provider due to their commitment to providing the highest standards in Internet security. They safely store all your financial information using Payment Card Industry (PCI) compliant systems. This includes truncating (abbreviating) account numbers so that even West Bradford Township does not see your complete account information. The fee for a credit card payment is \$4.50. Payment by check is \$1.50. We are confident you will find the new online bill pay service easy-to use and convenient. Just click on the online payments button!

2018 Intermediate All Stars West Bradford Little League

2019 State Police Camp Cadet August 11-16

Enroll at cccampcadet.org

Enrollment Closes May 13, 2019

The Pennsylvania State Police are proud to offer "Camp Cadet," a free, week-long overnight camp for boys and girls at least 11 and not yet 14 by the first day of camp. The camp promotes a positive relationship between law enforcement officials and young persons. Camp counselors and instructors are PA State Troopers, municipal police officers and deputy sheriffs.

Throughout an action-packed week filled with hands-on activities, the Cadets learn teamwork and good decision-making. Modeling camp life after the State Police Academy, it is designed to strengthen Cadets' self-discipline, self-esteem and respect for the community.

Camp Cadet is open to all Chester County residents...free of charge! The Camp is funded by donations from charitable foundations, area businesses, local governments and the public. Visit cccampcadet.org to register by May 13.

A Thank You from Boy Scout Troop 52

Boy Scout Troop 52 of Marshallton gives a big thank you to those residents who used the holiday tree collection program this past season. A total of 430 trees were collected and delivered to the West Bradford Township Compost Site! All donations received support the Scout's many community projects and training programs.
