

WEST BRADFORD TOWNSHIP

"Between the Brandywines"

TOWNSHIP NEWSLETTER PUBLISHED BY THE BOARD OF SUPERVISORS

Join Us for Recreation Commission Information and Trivia Night!

Wednesday, March 14 at 7pm

Do you want to learn more about what the West Bradford Township Recreation Commission does? Are you interested in volunteering within the community at different events throughout the year? We have just the event coming up for you! Come join the Parks & Rec Director and the Recreation Commission on Wednesday, March 14th at 7:00pm at the Township Building for an informal information session and "Trivia Night" event! Refreshments will be served, we will enjoy a few rounds of trivia, and discuss this year's upcoming volunteer

opportunities as well as the happenings within the Recreation Commission! We look forward to seeing you there! (Please RSVP by March 9 to kletrinko@westbradford.org. Find more information on our website at www.westbradford.org)

Supervisors Elect Jack M. Hines, Jr. in 2018

In keeping with the long-standing tradition of rotating the Chairmanship of the Board of Supervisors, Supervisor Jack M. Hines, Jr. was elected Chairman for 2018. Mr. Hines has served the Township for 40 years. First as Township Manager for 34 years and later as a Supervisor. He looks forward to continuing the Township's conservative fiscal policies, and to keeping our community a wonderful place in which to live. Jack has lived in Marshallton since 1949. He and his wife, Marilyn, raised their three children here in West Bradford.

Wednesday is Holiday Collection Day

If a regularly-scheduled refuse, recycling or large item collection day falls on a holiday, collection for that day will be rescheduled for the Wednesday of the holiday week.

FOR THE FOLLOWING HOLIDAY:	COLLECTION WILL OCCUR ON:
Monday, May 28 (Memorial Day)	Wednesday, May 30

A Reminder: Per Township Ordinance, please do not put your recyclable toter out on refuse day, or your refuse toter out on recyclable day. Do not put trash in your recyclables or recyclables in your trash. The Township thanks you for your cooperation!

Illicit Discharge Detection and Elimination:

Illicit Discharge Detection and Elimination is a major component of West Bradford's municipal stormwater management program. Every time someone uses the storm drain or a ditch as a disposal system, they're causing an impact downstream. That's because storm sewers and ditches don't go to wastewater treatment plants. Storm drains in the Township are separated from the sanitary system. That's by design. Our wastewater treatment facilities simply couldn't handle the volume of stormwater that is created in every storm. Since this water is released unfiltered and untreated into streams, lakes and wetlands, municipalities are required to ensure that the water leaving their systems is as clean as possible. Part of that is knowing all of the sources that are flowing into the system and it's not always just water. Septic systems, used oil, carpet cleaning fluid, wastewater...you name it, someone has disposed of it into the storm system and that waste is now in our waterways. These are called illicit discharges to the storm system. Municipalities are required under the MS4 (Municipal Separate Storm Sewer System) regulations to identify and eliminate those illicit discharges. Below are 12 actions that homes and businesses can take to prevent illicit discharges into the storm sewer system.

Top 12 Actions: Dealing with the Dirty Dozen

- 1. Eliminate connections to storm sewers.** Make sure that wastewater, spills or soapy water can't flow into a storm sewer by any drain or stormwater flow.
- 2. Store hazardous materials properly, inside or under cover.**
- 3. Make a current spill response plan and clean up kit accessible.**
- 4. Train employees on spill response and good housekeeping practices.** Repeat training regularly.
- 5. Use "dry" methods for clean up and spills.** Keep a broom, mop and kitty litter or other absorbent materials handy. Do not use water to rinse off a spill.
- 6. Use a mop sink for cleaning floor mats and equipment.** Pour wash water in the sink, not outside.
- 7. Ensure dumpsters remain covered and leak-proof.** Locate dumpsters away from storm drains.
- 8. Wash vehicles at a commercial car wash.** If you must wash vehicles or equipment outdoors, use water only, or wash on grassy areas and divert soapy water from storm drains.
- 9. Keep parking lot and service areas clean.** Provide trash bins and empty them regularly. Divert water from loading docks.
- 10. Keep wetlands and areas around ponds and streams clean and in natural condition.** Keep these areas free of trash, yard waste, and debris that can pollute or obstruct water flow. If possible, allow vegetation to grow into a natural buffer instead of mowing to wetland edges.
- 11. Water wisely and limit fertilizer use.** Keep water and fertilizer on the grass, not pavement. Consider replacing some lawn area with low-care plantings.
- 12. Design your site to infiltrate, filter or detain runoff.** Divert roof leaders, foundation drains, air conditioning condensate and other clean water to grassy areas, away from pavement and stormdrains.

This Watershed Protection Tip is part of West Bradford Township's ongoing efforts to provide public education on stormwater management and the protection of our environment.

Smart911 – A Free Service for Chester County Residents!

Did you know Smart911 is a free service available to keep you and your family safer? Provided by Chester County Department of Emergency Services, Smart911 lets you create a private and secure safety profile for your family, including any information you want 9-1-1 to have during an emergency. You can include details such as a list of family members, photos, medical notes, pets, and emergency contacts. In an emergency seconds can save lives. Take a few seconds now to plan ahead at smart911.com.

SPRING LEAF, STICK AND BRUSH

Collection

Three Wednesdays This Spring:
March 28, April 18 and May 9

West Bradford Township will offer curbside collection of leaves, sticks and brush on three Wednesdays this Spring... March 28, April 18 and May 9. This convenient service is available to West Bradford residents at no cost, as yard waste in toters is not permitted. Repeat offenders who put yard waste in their toters will be fined. Leaves must be placed in biodegradable collection bags which may be purchased at the Township Building (\$0.50 /bag), or at local hardware stores. Please do not mix

sticks in with the leaves. Place them in separate bags or bundle them together. Do not staple bags shut. All brush must be tied with biodegradable twine (such as cotton or hemp) into manageable bundles no longer than four feet. Please note branches thicker than four inches cannot be collected. Collection is by appointment only! To ensure your spot on our list, please contact the Township at 610-269-4174 or at pmurdoch@westbradford.org by 2 pm the day before your preferred collection day.

West Bradford Compost Site

Bring Us your Grass Clippings!

Grass Clippings

Before you visit the Compost Site, please check the Township website at westbradford.org. If you see a green light (to the right), the DEP has allowed us to accept grass clippings! (West Bradford and East Bradford only—no contractors working on their behalf.) Grass clippings must be placed in biodegradable paper bags, or delivered “loose,” such as in the back of a pick-up truck. Proof of residency (i.e., a driver’s license) is required. As always, leaves and brush are accepted.

Recycling Statistics

The more we recycle, the less refuse we have to dispose of at the landfill, for a substantial savings to our community. Every dollar saved and earned is retained in the Refuse Fund...

helping to keep our collection fee as low as possible. To say nothing of helping our environment! The Township pays \$65 for each ton of refuse dumped at the landfill. In the fourth quarter of 2017 approximately

29.3% of that collected curbside was recyclable materials. During this three-month period, the Township collected 1,378 tons of refuse and 403.75 tons of recyclables, saving us \$26,243.75 in landfill fees. West Bradford Township has a goal of 35% recycling. Please help us reach this goal!

2018 Chester County Household Hazardous Waste Residential Use Only

At print time, only a tentative schedule of the Chester County Household Hazardous Waste events was available. Please visit chestercountyswa.org to confirm event dates and locations, and to review a list of acceptable materials.

WEST BRADFORD TOWNSHIP
"Between the Brandywines"

**Marshallton
Conservation Trust
Souper Supper &
Spring Meeting
Thursday, April 26, 2018**

The Marshallton Conservation Trust invites you to their 2018 Souper Supper and Spring Meeting. This year's meeting will feature Catherine Quillman, well known author of "Between the Brandywines," as well as several other regional books about our area's artistic and cultural history. Other items on the agenda will include an update from Jack Hines, representing the West Bradford Board of Supervisors, on the recently approved open space referendum which has always been of major importance to the members of our community. In addition, community news and upcoming neighborhood events will be addressed. The event is at 6:00pm on Thursday, April 26, 2018, upstairs at the Marshallton Inn. For more information on MCT and this event please go to marshalltonconservationtrust.org.

**A Thank You from
Boy Scout Troop 52**

Boy Scout Troop 52 of Marshallton gives a big thank you to those residents who used the holiday tree collection program this past season, as well as Highland Orchards for their generous assistance. A total of 447 trees were collected and delivered to the West Bradford Township Compost Site! All donations received support the Scout's many community projects and training programs.

**Coming Late May or June:
Free Paper Shred & E-Waste
Recycling Event**

In cooperation with area municipalities, West Bradford Township plans on hosting a paper shred and electronic waste recycling event sometime in late May or June. Unfortunately, a confirmed date, location and sponsors aren't available at this time. Please watch our website for this information as plans are firmed up. The service is free for all Township residents. Commercial waste will not be accepted. Document shredding is limited to four file-size boxes per resident.

E-waste includes computers, LCD monitors, laptops, printers, open toner cartridges, wire, cables & AC Adapters, cell phones, ipods, digital cameras, dvd & vcr players, and flat screen & plasma TVs. Information on whether CRT (tube-type) televisions are accepted will be available later. Sponsors for this event will be listed on our website. We couldn't do it without them!

For more information, call 610-269-4174 or visit westbradford.org.

**Marshallton Memorial Day Parade
Sunday, May 27, 2018**

The 2018 Marshallton Memorial Day Parade and events will be held on Sunday, May 27, 2018 beginning at 1:30pm. This great community event honors the men and women who have served, those who continue to serve and those who made the ultimate sacrifice for our nation. The Marshallton Memorial Day Parade is proudly sponsored by the Marshallton Conservation Trust. For more details on the parade and registration information for the bicycle contest, please visit marshalltonconservationtrust.org.

Fire Company

WEST BRADFORD

Auxiliary's Annual Community Yard Sale

De-clutter your home and help support our community's all-volunteer fire company! On Saturday, May 12 from 8am to 1pm, the WBFC Auxiliary will host a community yard sale at the Substation located at Marshallton-Thorndale & Poorhouse Roads.

Items may be dropped-off at the Substation every Thursday night, from April 12 to May 10, from 6:30pm to 8pm.

Items needed are:

- furniture (indoor & outdoor)
- toys & books
- modern electronics
- modern tools & equipment
- antiques & jewelry
- modern sports equipment
- household items

Sorry, but some items—such as mattresses, large appliances, building products and damaged items—can't be accepted. Any questions regarding your donation, please email westbradfordyardsale@gmail.com.

Spaces for residents and retail vendors will also be available for \$25 a space. For vendor information or to make special donation arrangements, e-mail westbradfordyardsale@gmail.com.

Mother's Day Flower Sale Fundraiser

The West Bradford Fire Company is sponsoring a Mother's Day Flower Sale fundraiser at the West Bradford Fire Company Substation located at Marshallton-Thorndale & Poorhouse Roads. Beautiful bouquets, hanging baskets and flats will be available on Saturday, May 12 and on Sunday, May 13, from 9am to 3pm on each day. What a great way to thank Mom and our community's Volunteer Firefighters for all that they do for us!

Fighting to Protect Us

WBFC is looking for residents to join and help keep our Township safe. Contact them at (610) 696-8409

or stop by the Main Station (1305 W. Strasburg Rd) or the Sub Station (1387 Campus Dr.) on any Thursday evening. Too busy to help? Mail checks payable to the West Bradford Fire Company to 1305 W. Strasburg Rd, West Chester, PA 19382. Thank you!

Volunteer Firefighters Are Needed

West Bradford Township 2018 Road Program

This spring and summer West Bradford Township will continue implementation of its twenty-year road program. This program is designed to maximize the useful life of infrastructure through an aggressive maintenance plan and appropriately scheduled capital improvements. The program allows the Township to maintain nearly 75 miles of roads in good condition.

The maintenance plan includes pothole repair, street sweeping, roadside brush trimming, road crack sealing and patch milling. The capital plan includes the replacement of culverts and storm water pipes and the resurfacing and reconstruction of roads. On average, the Township resurfaces and/or reconstructs between three and seven miles of roadways each year.

The number of roads treated depends on many factors, including the extent of repairs needed, the cost of materials and the damage done during the winter months. As such, road projects are often subject to change... but as of this time the projects proposed in 2018 include work on the following:

The unimproved section of Telegraph Road east of Sugars Bridge Road and Broad Run Road from Strasburg Road to Telegraph Road will be improved with a new base course of asphalt. Resurfacing of roadways will take place on Romig Road, South Bailey Road, Sawmill Road and Glen Drive

Motorists using the above-noted roads may experience delays during construction. Residents on these roads will receive a written notice from the Township before any work begins.

2018 State Police Camp Cadet

**Camp runs from
August 12–17, 2018**

The Pennsylvania State Police are proud to offer “Camp Cadet”—a free, week-long overnight camp for boys & girls at least 11 and not yet 14 by the first day of camp. The camp promotes a positive relationship between law enforcement officials and young persons. Camp counselors and instructors are PA State Troopers, municipal police officers and deputy sheriffs. Throughout an action-packed week filled with hands-on activities, the Cadets learn teamwork and good decision-making. Modeling camp life after the State Police Academy, it is designed to strengthen Cadets’ self-discipline, self-esteem and respect for the community. Camp Cadet is open to all Chester County residents...free of charge! The Camp is funded by donations from charitable foundations, area businesses, local governments and the public. Visit cccampcadet.org to register by May 11.

West Bradford 10 and Under Tennis Program

The Philadelphia Area Team Tennis Association is offering an affordable team tennis program at Broad Run Park for two age groups and experience levels! The Red Division is open to boys and girls ages five to eight who are at the beginner level. The Orange Division is for children nine and ten (and very experienced eight year-olds). There are limited spots available and registration is on a first-come, first-serve basis, so please register asap. The program runs from April 21 through June 9. The fee for West Bradford residents is \$72 per player, and includes a uniform, award and end-of-season party. The non-resident fee is \$85. For more information visit phillyteamentennis.org/localspring, or contact Justin DePietropaolo at (610) 450-4816, or justin@phillyteamentennis.org.

Downingtown Area Recreation Consortium

Celebrates its 25th Year!

Did you know that 2018 is the 25th anniversary of DARC's

founding? We've been around for so long that, to most of our residents, DARC gets taken for granted. As we look back and celebrate this milestone we wanted to share with you our history and purpose.

What is DARC? DARC is short for the Downingtown Area Recreation Consortium. We serve the recreational needs of over 69,000 residents made up of 40,000 households. DARC is the largest recreational provider in Chester County. We are an independent organization (Council of Government) that was created by the eight municipalities that make up the Downingtown Area School District. We are governed by a Board made up of representatives from each member municipality and one from the School District.

When Chester County was growing rapidly 25 years ago, our municipalities had the foresight to think ahead. It was decided that each municipality would focus on what they did best—provide parks and local community-based events.

But it was determined that it would be much more efficient—from a tax dollar perspective and in cheaper recreational costs to the residents—to form an organization that served the recreational programming needs of everybody in the school district.

Because of our size we are able to provide a much broader range of recreational opportunities than any single municipality could. We are able to keep our programming costs down because our municipalities and the school district graciously provide spaces to run our programs in. We are also able to negotiate with outside, for-profit recreational providers for better program rates for our residents.

We do all this, each and every day, at an annual cost in tax dollars to your municipality of less than \$1 per person. That's a bargain anyway you look at it.

Please browse our newly formatted program catalog that is mailed to every resident of the School District and register online using our new registration website at downingtownpa.myrec.com. Happy anniversary from the gang at DARC! 🌸

West Bradford Youth Athletics

West Bradford Youth Athletics (WBVA) is a non-profit organization that has and

continues to serve West Bradford Township families and the surrounding area with sport programs for children ages 3 years old to 18. WBVA strives to promote knowledge of the game, good sportsmanship, and the physical skills needed to play the game. WBVA is looking forward to a summer and fall filled with activities for young athletes and their families. Please keep a close eye on our website for the latest event details.

Follow WBVA on Facebook!

Summer Street Hockey registration is open. Please go to WBVA.org to register. The season runs from mid-June to August 1. Our Fall Sports online registration begins in May. Visit WBVA.org for age requirements and coaching/volunteer information.

Fall sports offered:

- Soccer (*Ages 3 to Grade 12*)
- Challenger Soccer for children with special needs (*Ages 8 to 21 years old*)
- Little League Baseball and Softball (*Ages 8 to 18*)

Land Development Update

The following projects are now under land development review:

- Currently there are no applications under review.

The following projects are among those approved in recent years; construction has not yet begun:

- Chidester: Two Lots at 1233 Cranberry Lane.
- B. Ross Capps/Krapf Subdivision: A two lot subdivision at 205 N. Wawaset Road.
- The Townes at Shannon Hill (*formerly Mayfair*): A 112 townhome subdivision at Boulder Drive.

The following projects are now under construction:

- Bright Glade Farm: A 37 single-family home subdivision at Glenside Road.
- Buck Hill Farm: A 129 single-family home subdivision at Chestnut Lane.
- Hirst: A three single-family home subdivision at Marshallton Thorndale Road and Telegraph Road.
- Marshallton Walk: A one single-family home and 12 twin home subdivision at 1440 West Strasburg Road.
- Stargazer Village at Romansville: A 95 single-family home and 39 townhome subdivision at the intersection of Stargazer Road and West Strasburg Road.
- Donnon: A 3 lot subdivision at 1501 Glenside Road.
- Armstrong Engineers: A 10,000 sf office building at 1845 West Strasburg Rd.
- Tattersall Phase II: A 27 single-family home subdivision on to be constructed Silverbark Lane, a cul-de-sac street with access onto Tattersall Way.

All project plans are available for public review at the Township Building, Monday to Friday, 7:00am to 4:30pm.
