West Bradford Township Recycling Statistics

West Bradford Township has a goal of 35% recycling and we need your help to reach it! Every dollar

saved by reducing the amount of refuse required to be disposed at the landfill is retained in the Refuse Fund...helping to keep our collection fee as low as possible and helping our environment. The Township pays \$65 for each ton of refuse dumped at the landfill. In the third quarter of 2018 approximately 26% of that collected curbside was recyclable materials. During this three-month period, the Township collected 1,034.8 tons of refuse and 369.5 tons of recyclables, saving us \$24,018 in landfill fees. Thank you for recycling, but let's do even better!

Wednesday is Holiday Collection Day

If a regularly-scheduled refuse, large item or recycling collection day falls on a holiday, collection for that holiday will be rescheduled for the Wednesday of the same week the holiday falls in.

| FOR THE FOLLOWING HOLIDAY: | COLLECTION WILL OCCUR ON: |
|--------------------------------------|--|
| Tuesday, December 25 (Christmas Day) | Wednesday, December 26 (refuse, large item and recycling) |
| Tuesday, January 1 (New Year's Day) | Wednesday, January 2 (refuse and recycling only) |

December Holiday Events DECEMBER 1, 8, 15 AND 16

Start the Holiday Season 12/1 in the Village of Marshallton

Start the day at Marshallton United Methodist Church (MUMC) for their Cookie Sale, Homemade Crafts and "Byers Choice" Vendors at 9am. Then enjoy the Christmas in Marshallton House Tour from 10am–4pm and end the day with Martin's Tavern Tree Lighting Ceremony (Friends of Martin's Tavern) from 4pm–6pm.

Breakfast with Santa, 12/8, 8am–11am West Bradford Fire Company

See Santa and enjoy some excellent cooking! This event is organized by the Ladies Auxiliary to the West Bradford Fire Company and benefits the Fire Company. Menu includes eggs, toast, pancakes, sausage and bacon with plenty of coffee and other drinks to go around!

Operation Santa, 12/15

Listen for the sirens as Santa rides a fire truck throughout the Township to see all the good little girls and boys. The firefighters escorting him are sure to have plenty of candy canes as well! *(Weather permitting)*

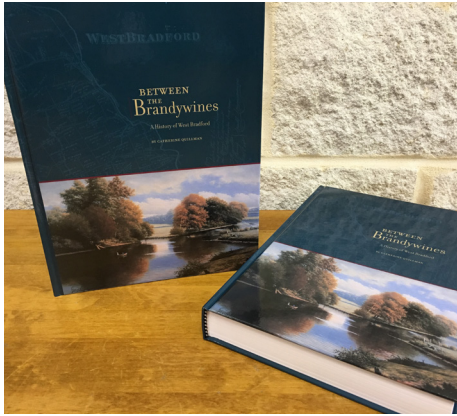

Annual Christmas Sing, 12/16, 11am

Join the Quaker community for the annual Christmas sing held at the Bradford Friends Meeting house. A heartwarming celebration with family, friends and neighbors. Refreshments served. The entrance to the meeting house, 1366 West Strasburg Road, is about 100 yards west of the West Bradford firehouse, on the opposite side of West Strasburg Road.

West Bradford Township Art and History Make Great Gifts

Between the Brandywines— A History of West Bradford Township by Catherine Quillman

Discover the story of West Bradford Township. Its rolling farmlands and winding streams have been home to the Lenape Indians, Quaker settlers and Revolutionary leaders. Its residents, including scientists, inventors, artists, explorers and movie stars, have shaped events that spurred Methodist “Thunder” revivals, the Association for the Detection of Horse Thieves, and an unexpected landing by Charles Lindbergh. Between the Brandywines is more than 400 pages and includes over 250 photos, maps, and drawings. The book is available for purchase at the Township Building for \$25.

Temple-Webster-Stoner House 15” x 20½ Art Prints by Richard Bollinger

We are pleased to offer this limited edition print of one of the most historical structures in our community. Tucked into a hillside along the banks of the idyllic Broad Run Creek, the Temple-Webster-Stoner house is one of the region’s finest aesthetically unaltered examples of “Penn Plan” architecture. Constructed in the early 1700’s from local fieldstone, the house shared property with an adjacent mill for many years. The Temple-Webster-Stoner house was placed on the National Register of Historic Places in 1973. Produced on the finest quality acid-free paper, each print has been personally signed and numbered by the renowned artist Richard Bollinger. Each print is \$75, 15” x 20 ½” unframed, and is available for purchase at the Township Building.

Fall Family Fun Festival and Ghost Walk

I would like to thank everyone involved with the Fall Family Fun Festival & Ghost Walk in Marshallton Village that took place on Saturday, October 20. Those folks include West Bradford Township Public Works and Parks staff, West Bradford Fire Company, the Parks & Rec Commission, the Historic Commission, Friends of Martin’s Tavern, Marshallton Conservation Trust, The Marshallton Inn, Four Dogs Tavern, Highland Orchards, the Supplee Family, Moondawgs Band, our Facepainters, our Balloon Magic Man, and all volunteers! This fantastic evening would not have been possible without you! 🍂 —Kevin Letrinko, Parks Director

Watershed Protection Tip CREEK-FRIENDLY WINTER YARD CARE

Just because it’s winter, it doesn’t mean there’s no yard work! There are plenty of things to do that will help reduce the need for pesticides next spring.

- Spray dormant oil on the bark surfaces of pest-prone ornamental trees and shrubs. Dormant oil is non-toxic and works to kill the eggs of wintering insects. Check product labels for a list of sensitive plants, such as azaleas. And be sure not to spray on blue-needled conifers.
- Spray a leaf protectant on hollies, rhododendrons and other broadleaf evergreen plants to protect against winter moisture loss. Spray early in the winter season when temperature is above freezing.
- Overseed bare spots in your lawn in late winter (i.e., March). This will increase turf density before weeds have time to germinate.

This Watershed Protection Tip is part of West Bradford Township’s ongoing efforts to provide public education on stormwater management and the protection of our environment.

2019 Budget Proposed

47 years and counting without a real

estate tax! The proposed 2019 Budget is now available for public review at the Township Building. It will be considered for adoption at the Board of Supervisors Monthly Meeting at 7pm on December 11. If you have any questions about the Budget, please contact Justin Yaich, Township Manager at (610) 269-4174 or by e-mail at jyaich@westbradford.org.

Land Preservation and Sustainability Committee Update

The Land Preservation and Sustainability Committee (LPSC) has been working hard to help preserve open space in West Bradford Township (WBT). An increasing number of landowners are realizing the benefits of conserving their land and are discussing potential conservation and agricultural easements with LPSC. This high level of interest reflects the value many residents place on open space and the high quality of life it provides. So far, two easements have been approved (87 total acres) by the LPSC and the Township Supervisors for preservation through partnership with the Chester County Open Space Program. To help additional landowners understand the process and benefits of conserving their land, LPSC will hold an educational event in January. All interested WBT residents are invited to attend. An exact date and location will be announced soon. In the meantime, if you are interested in learning more, please contact Justin Yaich, Township Manager at (610) 269-4174 or jyaich@westbradford.org.

Online Bill Payment is Here!

West Bradford Township is excited to share that we have launched an online payment and electronic billing service that will offer greater flexibility when paying your utility bills. With the improved bill pay service, residents can make payments online with a credit/debit card or bank account.

OTHER FEATURES INCLUDE:

- Pay anytime, anywhere—on your computer, mobile device, by phone, or through text message.
- Receive email reminders when a payment is due and a confirmation after making a payment.
- View/pay your bill online anytime with credit/debit card or e-check.
- Make a one-time payment or register to gain access to all features.
- Schedule your payment for a specific date.
- Pay by phone 24/7.
- Easy and convenient to pay bills on-the-go.

In addition to the expanded features, we chose Invoice Cloud as our online bill pay service provider due to their commitment to providing the highest standards in Internet security. Invoice Cloud will safely store all your financial information using Payment Card Industry (PCI) compliant systems. This includes truncating (abbreviating) account numbers so that even West Bradford Township does not see your complete account information. This is a fee-based service. The fee for a credit card payment is \$4.50. Payment by e-check is \$1.50. West Bradford Township is confident you will find the new online bill pay service easy to use and convenient. **Just click on the online payments button!**

Proper Placement of Mailboxes

West Bradford Township takes every precaution to avoid damaging mailboxes during snow removal operations. The Township is not responsible for damage caused by snow or ice that is thrown from the snowplow blade. Standard mailboxes and posts are replaced by the Township only if either or both are actually struck by the plow and if these are installed to the specifications of the US Postal Service.

MAILBOX PLACEMENT GUIDELINES TO HELP REDUCE THE CHANCE YOUR MAILBOX IS DAMAGED THIS WINTER:

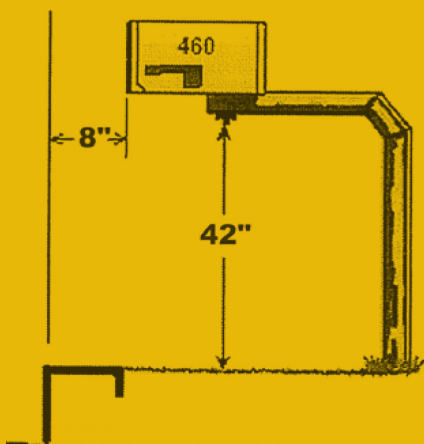

- Mailboxes should be located 2' from the edge of pavement to provide adequate clearance at an uncurbed roadway.
- The mailbox face should be located 8" behind the curb face at a curbed roadway.
- Mailboxes should be installed on the side of your driveway away from approaching traffic. This will lessen the likelihood of a plow strike, and minimize the shoveling needed to clear the area around the mailbox.

THE USPS REQUIRES THAT:

- The mailbox be installed at least 42" above the roadway surface; and,
- Mailbox posts not exceed 4" by 4" for wooden posts, and a 2" diameter for steel pipe posts. Larger posts are deemed "deadly fixed objects," and are not permitted within the right-of-way.

The Township neither replaces nor reimburses residents for custom mailboxes or ornate posts. If you believe a properly-installed mailbox or post was struck by a Township vehicle, please contact the Township at (610) 269-4174. 📞

Holiday Tree Disposal Options

It's no fun disposing of your holiday tree, but West Bradford residents have three easy options to get rid of those dried out evergreens!

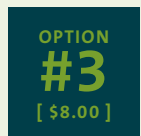

OPTION #1:
Drop-Off at the
Municipal Campus
(FREE!)

Trees and greens may be dropped-off at the Municipal Campus, 1385 Campus Drive, at any time from December 25 to January 31. Stands, ornaments and plastic bags must be removed so that the materials can be shredded into mulch. Wreaths are not accepted.

OPTION #2:
Drop-Off at the
Compost Site
(FREE!)

The Compost Site, 2020 West Strasburg Road, is open on Wednesdays and Saturdays from 9:00am to 2:00pm. Don't forget to remove any ornaments!

OPTION #3:
Pick-Up at Your Curbside
For a recommended contribution of \$8 the

Boy Scouts of Troop 52 will collect your holiday tree curbside. Visit christmastreepickup.eventbrite.com for tree pick-up dates and to schedule. Please have trees curbside by 9am.

Snowy Winter Roads

Prior to the snow beginning to fall, the Township applies a salt brine mixture to the roadway surface to prevent the formation of ice. In addition, once snow begins to fall, granular salt is applied. Trucks then work to plow the roadways, following specific routes that clear emergency routes and high-priority roads first. For safety reasons, cul-de-sacs and other secondary roads are not plowed until all emergency routes and high-priority roads are passable. Our Public Works team will always do their very best to keep roadways as clear as possible, as quickly as possible, but we need your help!

WHEN THE FIRST SNOWFLAKES BEGIN TO FALL, PLEASE REMEMBER TO...

- Remove vehicles from the roadway until the roadway is cleared. Vehicles parked on the roadways during winter weather events will be ticketed. Vehicles parked on emergency routes may be ticketed and towed.
- Wait until the roadway is cleared before shoveling your driveway, sidewalk and mailbox area. If you must clear these areas sooner, please know Township trucks will likely throw snow back onto your property when plowing the road.
- Do not shovel snow into the roadway. Pushing snow from your driveway or sidewalk into the roadway creates a safety hazard and could cause an accident. Property owners may be held responsible for accident damages.
- Prepare your vehicle for winter driving. And if you are too nervous about driving on snow and ice, don't drive! Share a ride with a neighbor or wait until the roadways are cleared before traveling.

The Township does not plow private roadways, roadways not dedicated to the Township and most State-owned roadways. West Strasburg Road, Marshallton-Thorndale Road, Northbrook Road, Romansville Road, Downingtown Pike (Route 322), Embreeville Road, Bradford Avenue, Brandywine Drive, Glenside Road (from Beacon Hill Road into Downingtown), Camp Linden Road and Stargazers Road are maintained by the Commonwealth. Please contact the Pennsylvania Department of Transportation at (610) 436-2091 to report snow removal concerns at these roadways. We thank you for continued patience and understanding while we work to keep our roads safe during the winter season. 🍂

The “Flushable Four”

If your property has a **grinder pump**, only four kinds of materials are permitted to be discharged into the sanitary sewer system:

- human waste and toilet paper
- food wastes processed through a garbage disposal unit (*but not grease*)
- water from sinks, tubs and dishwashers
- water from washing machines

Other materials can damage your grinder pump. This includes paint, adult wipes and baby wipes. Property owners are responsible for any damages caused by the discharge of prohibited materials.

Looking for Homebound Residents

Meals on Wheels

of Chester County serves hot and nutritious lunches to our neighbors

who are homebound, cannot cook healthy meals, and have no one to assist them with food preparation. Volunteers deliver meals five days a week, distributing easily-reheated food to those needing additional support. And while all recipients are asked to make a modest donation toward the cost of their daily lunch, Meals on Wheels will never deny a meal to those unable to make a donation. Do you know someone who would benefit from this assistance? To request a client application please contact Meals on Wheels at (610) 430-8500, or by e-mail at meals@mowcc.org. Refuse & Recycling Department

IMPORTANT REMINDERS AND TIPS

- The last leaf and brush collection of 2018 will be offered on 12/5. To schedule a pick-up, please contact the Township by 2pm on 12/4 at (610) 269-4174, or e-mail at pmurdoch@westbradford.org.
- During and after snowstorms, please remove refuse and recyclable toters from the side of the roadway as soon as possible after they are emptied.
- Do not place toters atop snow piles. The collection vehicle's arm can't grab a toter that's not on the ground!
- Do not park in cul-de-sacs on your recycle or trash pickup day.
- Place toters at least four feet from any objects, including vehicles, mail boxes, trees and utility poles. The collection vehicle's lifting arm may not be able to grab a toter if it is too close to another object.
- Per Township Ordinance, please do not put out your recyclable toter on refuse day, or your refuse toter out on recyclable day.

West Bradford Refuse and Recycling Department thanks you for helping us to better serve the community! 🍃

West Bradford Fire Company

WINTER SAFETY TIPS FROM FIRE CHIEF JACK E. LAW III

As we enter the winter season, we would like to remind everyone of some winter safety tips.

- Only use approved space heaters that are UL listed, are in good shape and use them according to the manufacturers recommendations.
- Have your furnace cleaned and serviced. A dirty furnace is less efficient and can produce deadly carbon monoxide.
- Have your chimney and fireplace or woodstove cleaned and inspected professionally. If you use your wood burning appliance regularly it can build up creosote which can easily ignite causing a chimney fire.
- If you use a wood or coal burning appliance (or other appliance that creates ash), make sure you use a metal container to clean out ash and place that container outside. Do not use paper or plastic containers, as the ash and embers can stay hot for a week or more. Do not place ash in your trash containers as it can create a fire when the trash truck picks it up.
- Test your smoke and carbon monoxide alarms on a regular basis. Make sure batteries are fresh/ replaced.
- Have a fire extinguisher or two within your residence and remember the acronym “PASS” if you need to use it. *P: Pull the pin, A: Aim the nozzle or hose at the base of the fire, S: Squeeze the trigger or handle, S: Sweep the hose or nozzle across the base of the fire.*
- Only use a fire extinguisher on a fire that is small enough for you to control with the fire extinguisher you have.
- Make sure all holiday decorations are in good condition before plugging them into an electrical outlet and only use decorations according to manufacturers instructions.
- Make sure your family is instructed on an escape route if there is a fire, have a common meeting place outside and always remember to dial 911 no matter how small the fire is (before trying to extinguish it yourself). 🍃
