

WINTER 2018

# WEST BRADFORD TOWNSHIP

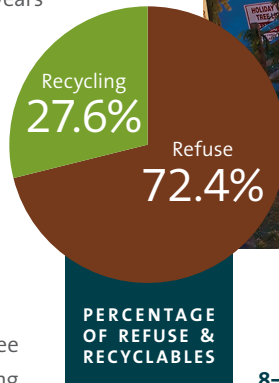

## "Between the Brandywines"

TOWNSHIP NEWSLETTER PUBLISHED BY THE BOARD OF SUPERVISORS

### Open Space Referendum Passes 67% to 33%

#### West Bradford Recycles

West Bradford Township has had a goal of 35% recycling for the past 6 years and we still haven't reached it! Our average for those years is only 30.4%. Recycling greatly reduces the amount of refuse required to be disposed at the landfill, for a substantial savings to our community. Every dollar saved and earned is retained in the Refuse Fund... helping to keep our collection fee as low as possible. To say nothing of helping our environment. The Township pays \$65 for each ton of refuse dumped at the landfill. In the third quarter of 2017 approximately 27.6% of that collected curbside was recyclable materials. During this three-month period, the Township collected 1,019.49 tons of refuse and 389.22 tons of recyclables, saving us \$25,299.30 in landfill fees. *Thank you for recycling, but let's do even better!*

### Christmas in Marshallton

Saturday, December 2nd and Sunday, December 17th

Christmas at Martin's Tavern  
Photo by James Lawson

Start the Holiday Season by visiting the Village of Marshallton on Saturday, December 2, 2017.

**8–11am:** Breakfast with Santa at the West Bradford Fire Company  
**9am:** Cookie Sale, Homemade Crafts & "Byers Choice" vendors at Marshallton United Methodist Church (MUMC)

**11am:** Christmas music in MUMC's historic sanctuary  
**11:30am:** Free Soup and Sandwich Lunch at MUMC

**4–6pm:** Martin's Tavern Tree Lighting Ceremony (Friends of Martin's Tavern)

**Weekends until Christmas, 10am–3pm:** Holiday Bazaars at the Blacksmith Shop

And on Sunday, December 17 at 11am, join West Bradford's Quaker Community for the Annual Christmas Sing at Bradford Friends Meeting

House. Experience a heartwarming celebration of the true spirit of Christmas with family, friends and neighbors. Refreshments will be served afterwards. The entrance to the meeting house, which is located at 1366 West Strasburg Road, is approximately 100 yards west of the firehouse, on the opposite side of West Strasburg Road. Visit [wbfc.org](http://wbfc.org), [martinstavern.org](http://martinstavern.org), [marshalltonchurch.org](http://marshalltonchurch.org) and [bradfordfriends.org](http://bradfordfriends.org) for more details.

#### Wednesday is Holiday Collection Day

FOR THE FOLLOWING HOLIDAY:	COLLECTION WILL OCCUR ON:
Friday, December 22 (Christmas Eve Observed)	Wednesday, December 20 (refuse & recycling only)
Monday, December 25 (Christmas Day)	Wednesday, December 27 (refuse, large item and recycling)
Monday, January 1 (New Year's Day)	Wednesday, January 3 (refuse & recycling only)

## The Township Thanks Mr. Lavery for His Service

In September, Bruce W. Lavery resigned from the Township Board of Supervisors. Bruce was sworn in as Township Supervisor on January 7, 2002. He has lived in West Bradford Township since 1986 and raised his two children here, Michael and Danielle. Bruce was also very active in our community serving on the Township's Recreation Commission and Shadyside Park Task Force, as Township liaison to the West Bradford Fire Company Board of Directors and as a member of the West Bradford Township Emergency Services Board. In addition, he coached and umpired for WBYA and served as a Boy Scout troop leader. Bruce has been practicing law for 24 years, starting as sole practitioner, then partnering in various law firms, and now practicing as Lavery Law Offices in Downingtown, PA. His office is a multifaceted general practice law firm and includes criminal and civil litigation, real estate, landlord-tenant disputes, alternative dispute resolution, personal injury, estate planning, protection-from-abuse matters, business, municipal, and health law. He has also been the solicitor for Chester County Department of Mental Health/Intellectual and Developmental Disabilities for 18 years. West Bradford's loss is East Bradford's gain! Bruce is moving to that township. We wish him and his family the very best in their new home. 🍷

### Supervisors Chairman, Mark J. Blair, to Retire in December

After 27 years of service to West Bradford Township, first as Planning Commission member and then as Supervisor, Mark Blair will be retiring this December 31st. During his tenure he has work diligently to support conservative fiscal policies and to keep our community a wonderful place in which to live. Mr. Blair began his service to the Township as a Planning Commission member in 1990 and was appointed to the position of Township Supervisor in March of 1992. Previously, he had been a local business owner in West Bradford, while his wife Nancy taught first grade at West Bradford Elementary. Both are now retired and have two grown children—Aaron and Rachel. Please join us in wishing Mr. Blair the very best in his retirement from serving the Township. 🍷

### New Supervisor, William R. Christman, III, Sworn In

William R. Christman III was sworn in as our newest Township Supervisor in October 2017. Mr. Christman and his wife have been residents of West Bradford Township for about four and a half years. They have a three-year old daughter. Prior to moving here, the Christmans lived in West Goshen Township where he was elected as a Township Auditor. Mr. Christman is an attorney with Lamb McErlane PC, specializing in municipal and election law. He has worked for the County of Chester in various capacities including Assistant Director of Voter Services, Assistant Solicitor, Executive Assistant for Administration and Administrative Analyst for Commissioner Terence Farrell. He received his law degree from Widener University School of Law and a B.A. in Political Science from West Chester University. We hope you take the opportunity when you see William to welcome him. 🍷

## 2018 Budget Proposed

### 46 years without a real estate tax!

The proposed 2018 Budget is now available for public review at the Township Building. It will be considered for adoption at the Board of Supervisors Monthly Meeting at 8 p.m. on December 12. If you have any questions about the Budget, please contact Justin Yaich, Township Manager at (610) 269-4174 or by e-mail at [jyaich@westbradford.org](mailto:jyaich@westbradford.org).

### Did You Know?

#### Answer on Page 6

The Broad Run is classified as an Exceptional Value stream by the Commonwealth of Pennsylvania. This is the highest water quality designation in the State. What percentage of the Broad Run watershed is located in West Bradford Township?

- a) 55 percent      b) 66 percent
- c) 77 percent      d) 88 percent
- e) 99 percent

## Holiday Shopping in West Bradford

### West Bradford Township Art and History Make Great Gifts

#### Temple-Webster-Stoner House

##### Prints by local artist, Richard Bollinger

West Bradford Township is pleased to offer this limited edition print of

one of the most historical structures in our community. Tucked into a hillside along the banks of the idyllic Broad Run Creek, the Temple-Webster-Stoner house is one of the region's finest aesthetically unaltered examples of "Penn Plan" architecture. Constructed in the early 1700's from local fieldstone, the house shared property with an adjacent mill for many years. The Temple-Webster-Stoner house was placed on the National Register of Historic Places in 1973. Produced on the finest quality acid-free paper, each print has been personally signed and numbered by the renowned artist Richard Bollinger. Each print is \$75, 15" x 20 1/2" unframed, and is available for purchase at the Township Building. 🍷

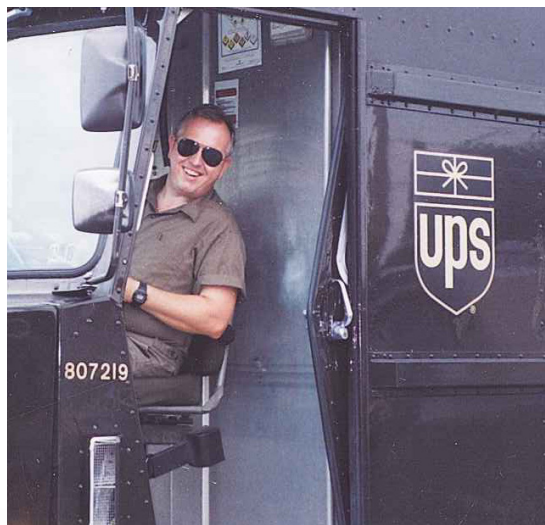

#### Between the Brandywines: A History of West Bradford Township by Catherine Quillman

Discover the story of West Bradford Township. Its rolling farmlands and winding streams have been home to the Lenape Indians, Quaker settlers and Revolutionary leaders. Its residents, including scientists, inventors, artists, explorers and movie stars, have shaped events that spurred Methodist "Thunder" revivals, the Association for the Detection of Horse Thieves, and an unexpected landing by Charles Lindbergh. Between the Brandywines contains more than 400 pages and includes over 250 photos, maps, and drawings. A special limited edition book containing large-scale foldout maps is also available. Both versions of the book are available for purchase at the Township Building. The standard edition book is \$25, and the special edition book is \$35. 🍷

### Congratulations to West Bradford's Downtown UPS Driver

**O**n August 24th of this year, Brian March, UPS driver in the Downtown portion of our township, marked delivering in West Bradford for 30 years! He has always tried to treat all his customers (and their dogs!) as friends, liked the area and the people, and never thought about moving to another trip. Brian also celebrated 32 years of Safe Driving in August. Congratulations Brian!

### Holiday Tree Disposal Options

Disposing of your holiday tree is such a drag, but West Bradford residents have three options to easily get rid of those dried out evergreens!

**OPTION  
#1  
[ FREE ]**

**OPTION #1:  
Drop-Off at the  
Municipal Campus  
(FREE!)**

Trees and greens may be dropped-off at the Municipal Campus, 1385 Campus Drive, at any time from December 25 to January 31. Stands, ornaments and plastic bags must be removed so that the materials can be shredded into mulch. Wreaths are not accepted.

**OPTION  
#2  
[ FREE ]**

**OPTION #2:  
Drop-Off at the  
Compost Site  
(FREE!)**

The Compost Site, 2020 West Strasburg Road, is open on Wednesdays and Saturdays from 9:00am to 2:00pm. Don't forget to remove any ornaments!

**OPTION  
#3  
[ \$8.00 ]**

**OPTION #3:  
Pick-Up at Your Curbside**  
For a contribution of \$8 the Boy Scouts of Troop

52 will collect your holiday tree curbside. Pick-up dates are December 30, January 6, 7, 13 & 14. Visit [christmastreepickup.eventbrite.com](http://christmastreepickup.eventbrite.com) for more info or to schedule a pick-up. Have trees curbside by 9am.

## West Bradford Fire Company Fighting to Protect Us

The volunteers of the West Bradford Fire Company are ready to protect our community, day and night. The Fire Company always needs residents who can join their efforts to keep our Township safe. If you have a few hours to contribute, you can make a huge difference. Contact the Fire Company at (610) 696-8409, or stop by the Main Station (1305 West Strasburg Road) or the Sub Station (1387 Campus Drive) on any Thursday evening. Too busy to lend a hand? Then write a check! Contributions are desperately needed to help our volunteers deliver the emergency services on which our families rely. Checks payable to the West Bradford Fire Company may be sent to 1305 West Strasburg Road, West Chester, PA 19382. Thank you!

## Watershed Protection Tip Creek-Friendly Yard Tips For Winter

Just because it's winter, it doesn't mean there's no yard work! There are plenty of things to do that will help reduce the need for pesticides next spring.

- Spray dormant oil on the bark surfaces of pest-prone ornamental trees and shrubs. Dormant oil is non-toxic and works to kill the eggs of wintering insects. Check product labels for a list of sensitive plants, such as azaleas. Don't spray blue-needled conifers.
- Spray a leaf protectant on hollies, rhododendrons and other broadleaf evergreen plants to protect against winter moisture loss. Spray early in the winter season when temperature is above freezing.
- Overseed bare spots in your lawn in late winter (i.e., March). This will increase turf density before weeds have time to germinate.

This Watershed Protection Tip is part of West Bradford Township's ongoing effort to provide public education on stormwater management and the protection of our environment.

Photo by James Lawson

## Proper Placement of Mailboxes Help Reduce the Opportunity for Damage

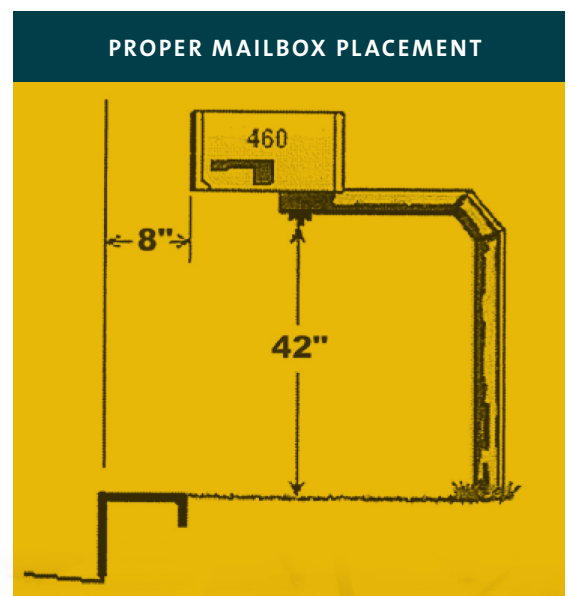

**W**est Bradford Township takes every precaution to avoid damaging mailboxes during snow removal operations. Mailbox placement guidelines to help reduce the chance your mailbox is damaged this winter:

- Mailboxes should be located 2' from the edge of pavement to provide adequate clearance at an uncurbed roadway.
- The mailbox face should be located 8" behind the curb face at a curbed roadway.
- Mailboxes should be installed on the side of your driveway away from approaching traffic. This will lessen the likelihood of a plow strike, and minimize the shoveling needed to clear the area around the mailbox.

The Township is not responsible for damage caused by snow or ice that is thrown from the snowplow blade. Standard mailboxes and posts are replaced by the Township only if either or both are actually struck by the plow and if these are installed to the specifications of the US Postal Service. The USPS requires that:

- the mailbox be installed at least 42" above the roadway surface; and,
- mailbox posts not exceed 4" by 4" for wooden posts, and a 2" diameter for steel pipe posts. Larger posts are deemed "deadly fixed objects," and are not permitted within the right-of-way.

The Township neither replaces nor reimburses residents for custom mailboxes or ornate posts. If you believe a properly-installed mailbox or post was struck by a Township vehicle, please contact the Township at (610) 269-4174.

WEST BRADFORD TOWNSHIP  
*"Between the Brandywines"*

## Snowy Winter Roads

### Working Together to Clear Roads this Winter

Prior to the snow beginning to fall, the Township applies a salt brine mixture to the roadway surface to prevent the formation of ice. In addition, once snow begins to fall, granular salt is applied. Trucks then work to plow the roadways, following specific routes that clear emergency routes and high-priority roads first. For safety reasons, cul-de-sacs and other secondary roads are not plowed until all emergency routes and high-priority roads are passable. Our Public Works team will always do their very best to keep roadways as clear as possible and as quickly as possible, but we need your help!

#### When the first snowflakes begin to fall please remember to...

- **Remove vehicles from the roadway until the roadway is cleared.** Vehicles parked on the roadways during winter weather events will be ticketed. Vehicles parked on emergency routes may be ticketed and towed.
- **Wait until the roadway is cleared before shoveling your driveway, sidewalk and mailbox area.** But if you must clear these areas sooner, please know Township trucks will likely throw snow back onto your property when plowing the road.
- **Do not shovel snow into the roadway.** Pushing snow from your driveway or sidewalk into the roadway creates a safety hazard and could cause an accident. Property owners may be held responsible for accident damages.
- **Prepare your vehicle for winter driving.** And if you are too nervous about driving on snow and ice, don't drive! Share a ride with a neighbor or wait until the roadways are cleared before traveling.

The Township does not plow private roadways, roadways not dedicated to the Township and most State-owned roadways. West Strasburg Road, Marshallton-Thorndale Road, Northbrook Road, Romansville Road, Downingtown Pike (Route 322), Embreeville Road, Bradford Avenue, Brandywine Drive, Glenside Road (from Beacon Hill Road into Downingtown), Camp Linden Road and Stargazers Road are maintained by the Commonwealth. Please contact the Pennsylvania Department of Transportation at (610) 436-2091 to report snow removal concerns at these roadways.

We thank you for continued patience and understanding while we work to keep our roads safe during the winter season.

## Sidewalk Maintenance in Marshallton

Do you live in a community or neighborhood with sidewalks? Do you want to keep your neighborhood looking pristine? If the answer is yes, then we need your help. Weed growth drastically detracts from the aesthetics of a neighborhood. In addition to the visual detraction, weeds also negatively impact the structural integrity of the sidewalks as the roots create heaving and cracking which allows water infiltration. The Township appreciates any efforts that residents can make to care for the sidewalks near their home. If you live in a neighborhood with brick sidewalks, this is equally important as the weeds will cause the bricks to shift, also creating a tripping hazard. We appreciate your assistance in keeping West Bradford a place that people love to call home.

## Looking for Homebound Residents—Meals on Wheels

Meals on Wheels of Chester County serves hot and nutritious lunches to our neighbors who are

homebound, cannot cook healthy meals, and have no one to assist them with food preparation. Volunteers deliver meals five days a week, distributing easily-reheated food to those needing additional support. And while all recipients are asked to make a modest donation toward the cost of their daily lunch, Meals on Wheels will never deny a meal to those unable to make a donation.

Do you know someone who would benefit from this assistance? To request a client application please contact Meals on Wheels at (610) 430-8500, or visit [mowcc.org](http://mowcc.org).

## Downingtown Area Recreation Consortium

The Downingtown Area Recreation Consortium has many great upcoming opportunities! Here's a sample of the programs being offered:

- Lego, Drawing & Cartooning After School programs
- Aquatics Programs & Swim Lessons
- Online Education & Computer Courses
- Culinary Workshops
- Fitness, First Aid & CPR Workshops
- Adult Softball & Basketball
- Programs for Adults and Seniors
- Many winter youth sports programs!

For more information on these and other DARC programs visit [downingtownpa.myrec.com](http://downingtownpa.myrec.com), or call (610) 269-9260.

## We Want You! Township Volunteers Needed

Want to be involved in the Summer in the Parks events? Join the Recreation Commission! We currently have two openings. Or maybe you have an interest in the history of the Township? Join the Historical Commission! There is one opening on that Commission. If there is currently no opening in the area you are interested in, your application will be kept on file for two years and you may be contacted should such an opening occur. Visit [westbradford.org/boards](http://westbradford.org/boards) for an outline of the activities of these bodies and for a volunteer application that can be downloaded ([westbradford.org/documents/pages/forms-applications](http://westbradford.org/documents/pages/forms-applications))

## Do You Know?

### Answer

e) 99 percent West Bradford is in a unique position because virtually all of the Broad Run watershed is located within the Township. The health of this Exceptional Value stream is almost entirely within the control of the Township and its residents from a land use and open space perspective.

## Thank You Fall Family Fun Festival & Ghost Walk Volunteers!

I would like to take the time to thank everyone involved with the Fall Family Fun Festival & Ghost Walk in Marshallton Village that took place on Saturday, October 21st! Those folks include the Township Public Works and Parks staff, the Parks & Rec Commission, the Historic Commission, Friends of Martin's Tavern, The Marshallton Inn, Four Dogs Tavern, Cub Scout Pack 215, Highland Orchards, Hurricane Hill Farms, the Supplee Family, our Facepainters, our Balloon Magic Man, and all other volunteers! We had wonderful weather, a great turnout, and an overall fantastic evening and it would not have been possible without you all!   
*Kevin Letrinko, West Bradford Township Parks Director.*

## Downingtown Library Upcoming Events There's always something great happening at the Downingtown Library!

### SPECIAL EVENTS

**December 9**  
**9:30–10:30am**  
**Visit with Santa**

## Land Development Updates

### The following projects are now under land development review:

- There are no current projects under review.

### The following projects are among those approved in recent years; construction has not yet begun:

- Armstrong Engineers: 10,000 sf office building at 1845 West Strasburg Road.
- Chidester: Two lots at 1233 Cranberry Lane
- Mayfair: 112 townhomes at Boulder Drive.

### The following projects are now under construction:

- Bright Glade Farm: 37 single-family homes at Glenside Road.
- Buck Hill Farm: 129 single-family homes at Chestnut Lane.

- Donnon: Three lots at 1501 Glenside Road.
- Hirst: Three single-family homes at Marshallton Thorndale and Telegraph Roads.
- Marshallton Walk: One single-family home and 12 twin homes at 1440 West Strasburg Road.
- Stargazer Village at Romansville: 95 single-family homes and 39 townhomes at the intersection of Stargazer and West Strasburg Roads.
- Tattersall Phase II: 27 single-family homes on to-be-constructed Silverbark Lane, a cul-de-sac street with access onto Tattersall Way.

All project plans are available for public review at the Township Building, Monday to Friday, 7:00am to 4:30pm. 📄

## Interesting Facts About West Bradford History

Contributed by Bob Lyng

In 1681, the King of England granted William Penn title to much of the lands of Pennsylvania. In the 1681-1690 period, Penn then sold 5000 acres of this property to Daniel Smith. These 5000 acres included the lands “between the Brandywines” where the village of Marshallton would later be established.

In 1723, 1000 of these acres in Bradford were sold to Richard Woodward. These lands extended from the east branch of the Brandywine (near where Cope’s Bridge is today) West up Goshen Road (Strasburg Road) to include the present location of the village of Marshallton. In the 1730-1740 period, Richard Woodward built his “dwelling plantation and barn” on this property, field stone structures which were probably the first structures of this type to be built in the current Marshallton village location.

The following 20-30 years would see other important structures built in the “village,” to include the Blacksmith Shop, the Friends Meeting, and Martins Tavern, all of which were active during the Revolutionary War period of the British advance through this area to attack Philadelphia in 1777. 📄

## Grinder Pump Tips: The “Flushable Four”

If your property has a grinder pump, only four kinds of materials are permitted to be discharged into the sanitary sewer system:

- human waste and toilet paper;
- food wastes processed through a garbage disposal unit (but not grease);
- water from sinks, tubs and dishwashers; and,
- water from washing machines.

All other materials can damage your grinder pump, and this includes all varieties of adult and baby wipes. Property owners are responsible for any damages caused by the discharge of prohibited materials.

## Important Tips from the Refuse & Recycling Department

- The last leaf and brush collection of 2017 will be offered on December 6. To schedule a pick-up, please contact the Township by 2pm on December 5 at (610) 269-4174, or e-mail to [pmurdoch@westbradford.org](mailto:pmurdoch@westbradford.org).
- During and after snowstorms, please remove refuse and recyclable toters from the side of the roadway as soon as possible after they are emptied.
- Do not place toters atop snow piles. The collection vehicle’s arm can’t grab a toter that’s not on the ground!
- Do not park in cul-de-sacs on your recycle or trash pickup day.
- Place toters at least four feet from any objects, including vehicles, mail boxes, trees and utility poles. The collection vehicle’s lifting arm may not be able to grab a toter if it is too close to another object.
- Per Township Ordinance, please do not put out your recyclable toter on refuse day, or your refuse toter out on recyclable day.
