Dear West Bradford Township Resident,

This letter is to inform you that Community Utilities of Pennsylvania, your sewer provider, plans to mobilize and commence sanitary sewer manhole rehabilitation, sewer pipe lining, and sewer excavation on Monday, May 23. Pavement restoration will be required once the work is complete. Contractors plan to pave on Fridays and will install construction cones around the disturbed area. We thank you in advance for your cooperation on this important project. Should you have any questions related to the daily construction activities, please call Community Utilities of Pennsylvania at 1-800-638-0262.

Sincerely,
