

WEST BRADFORD TOWNSHIP

"Between the Brandywines"

TOWNSHIP NEWSLETTER PUBLISHED BY THE BOARD OF SUPERVISORS

West Bradford Township Recycling Statistics

Since the start of single-stream recycling in 2010, West Bradford residents have recycled increasing amounts of materials. Recycling greatly reduces the amount of refuse required to be disposed at the landfill, for a substantial savings to our community. In the first quarter of 2014 approximately 32.6% of that collected at the curbside was recyclable materials. During this three-month period the Township collected 835.9 tons of refuse and 404.9 tons of

**PERCENTAGE
OF REFUSE &
RECYCLABLES**

recyclables. With your help we'll reach our goal of 35% recycling. (See page 2 to read about how recycling helps to keep refuse fees as low as possible.)

Wednesday is Holiday Collection Day

If your refuse, recycling or large item collection day falls on a holiday, collection will be rescheduled for the Wednesday of the holiday week.

Holiday:

Fri., 7/4 Independence Day
Mon., 9/1 Labor Day

Collection:

Weds., 7/2
Weds., 9/3

First Annual Ice Cream Contest Winner

Congratulations to Alex Ade!

Congratulations to Alex Ade, West Bradford Elementary School, winner of the 1st Annual West Bradford Township Ice Cream Contest. Alex's Astronaut Ice Cream was selected tops among the more than 50 entries received from third-grade students at Bradford Heights Elementary School and West Bradford Elementary School. The future culinary superstars invented flavors using a menu of more than 75 different ice creams, ingredients and toppings.

**Alex Ade's
Astronaut Ice Cream**

fudge swirl ice cream,
chocolate chips,
marshmallows, crushed
Oreo cookies, bits of
Milky Way candy and
topped with a
gummy worm!

The ice cream will be made by the Strasburg Creamery, and served at this summer's first Movie in the Park night on Thursday, June 12, at Broad Run Park. Stop by for a taste!

And kudos to Chase Worth, Bradford Heights Elementary School, whose decadent Chocolate Cookie Monster was selected runner-up! 🍪

April 5, 2014 Shredding Event

More than 500 area residents participated in our multi-municipal recycling event. Many thanks to our event volunteers and sponsors!

"Will there be United Sports Training Center Fireworks?"

The United Sports Training Center will not be hosting a fireworks display in 2014. Instead, the USTC is offering a Friday night movie series throughout the summer.

Each movie night will also include lots of fun and activities for children of all ages.

For information visit the USTC at

unitedsports.net.

Pool and Hot Tub Regulations

Do it Right, Do it Safe!

Pennsylvania's Uniform Construction Code requires a barrier that completely encloses any swimming pool, hot tub or spa with water more than two feet deep. A fence is the most common barrier used for swimming pools, and a safety cover is often used as a barrier for portable hot tubs. (Note: Fixed hot tubs and spas, such as those permanently mounted in a deck, are treated as pools.)

All barriers must be non-climbable, at least four feet high as measured from the outside of the fence, and at least five feet removed from all property lines. In addition, all exterior entrances to the pool or spa area must possess self-closing and locking gates, and all doors leading from a residence to a pool or spa area must have audible alarms.

Above-ground pools with steps or ladders, or pools with sides less than four feet above ground level, must also possess a code-compliant barrier.

Barrier codes are very detailed, and there are many additional requirements not noted in this article. Please contact Jim Lucas, Codes Director, at (610) 269-4174, or at jlucas@westbradford.org, before purchasing and installing a pool, hot tub or spa. ♡

How Recycling Helps Save You – and Us! – Money

West Bradford pays \$61 for each ton of refuse dumped at the landfill. West Bradford is paid \$5 for each ton of recyclables it collects... an amount that fluctuates with the demand for this material. In the first quarter of 2014 the Township collected 404.9 tons of recyclables. This means the Township saved \$24,699 in landfill fees and received \$2,025 for the recycled materials. Every dollar saved and earned is retained in the Refuse Fund – which helps to keep our annual collection fee as low as possible!

2014 Road Program

The 2014 Road Program includes repaving of the following roads:

- Broad Run Road, from Poorhouse Road to West Chester Road;
- Crestmont Drive, from Marshallton-Thorndale Road to Shadyside Road;
- Shadyside Road, from Oak Hollow Drive to Crestmont Drive; and,
- Woodward Drive, from Crestmont Drive to Shadyside Road

There will be occasional delays on these roads during work hours, and at certain times sections of each road may be closed to all non-emergency vehicles. West Bradford will notify residents living on these roads in advance of the work, and the Township will provide detailed information on all required road closures. As always, we appreciate your patience as we work to improve our roads and to keep our community a great place to live! ♡

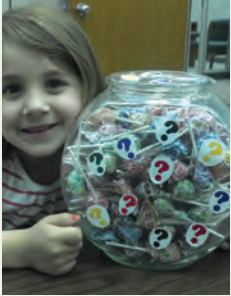

See and Be Seen!

If you have trouble seeing oncoming traffic when exiting your driveway, then it's likely oncoming traffic has trouble seeing you. Trees, bushes and tall plants at your driveway entrance will cause this problem. We recommend you trim all growth that interferes with your line of sight. If hedges are used for privacy or sound barriers, please consider relocating these back from the road to an area that will not interfere with your line of sight. In addition, it is a violation of Township Code to plant trees or bushes, or to locate any structures, within the right-of-way of the street. The right-of-way extends beyond the paved portion of the street. And while the width of the right-of-way varies by street, along many roads the right-of-way extends approximately 12 feet from the edge of pavement. West Bradford also prohibits the growth of bamboo within 40 feet of all public roads. Bamboo can bend and break (especially when covered by snow), and fall onto neighboring sidewalks and roads. Restricting the location of bamboo helps to keep our sidewalks and streets safe and passable all year long. ♡

WEST BRADFORD TOWNSHIP
"Between the Brandywines"

BRIEF POINTS OF INTEREST IN
WEST BRADFORD TOWNSHIP

Quick Notes

Can You Guess... How Much
Candy is in this Fish Bowl?

There is a fish bowl in the lobby of the West Bradford Township Building. And in this fish bowl there is candy... lollipops, to be exact. And lots

of them. How many pieces are in the fish bowl is your guess, and if your guess is the closest without going over the actual number you'll win the candy, and sweet bragging rights. Submit your guess at the Township Building, or by e-mail to kwilliams@westbradford.org by 4:00pm on July 2. *One guess per person please.* The winner will be announced in our next newsletter. The candy is kindly contributed by the employees of West Bradford Township, who are not eligible to submit a guess (*sorry folks!*). Congratulations to Zachary Lathrop, whose winning guess of 200 was closest to the actual number of Smarties in the fish bowl (215) in our last contest!

Eagle Scout Project Delivers Dugouts to West Bradford Township

West Bradford thanks Ryan Euler and Boy Scout Troop 52 for the great new dugouts at the Township Campus baseball field. For his Eagle Scout project Ryan logged many hours designing and constructing ADA-compliant sidewalks and dugouts that will serve our community for years to come. Ryan was ably assisted by his fellow Scouts of Troop 52, which is headquartered in the Village of Marshallton. And congratulations to Ryan, who will receive the coveted rank of Eagle Scout at a ceremony later this year.

Downingtown Area Senior
Center (DASC) Remains Closed

The DASC remains closed due to environmental concerns with the building. Several programs are currently being offered at the Downingtown Borough Hall Annex and at Ashbridge Manor. For program, fee, transportation and other information visit downingtownsensiors.org.

School's Out—Please Slow Down!

The Township frequently receives complaints about people driving too fast in residential neighborhoods. Many complaints come from residents who live on cul-de-sac streets. Since these streets have no through traffic, most offenders are neighbors. Take the time to consider your neighbors, children and pets. It's not worth trying to get somewhere a little bit faster if it causes an accident!

Did You Know? Answer on page 4

In the mid-1800's a water main was constructed to connect a reservoir on Sawmill Road to the Borough of Downingtown. What method was used to flow the water?

When Someone Puts a
Sign on Your Property

Sign on your property? Here's some helpful information when confronted by these pesky postings:

- It is a violation of Township Code to place a sign on any property without the property owner's permission.
- Signs are only permitted on the property where the activity is taking place. For example, "for sale" signs are allowed to be posted only at the property being sold.
- A property owner may be cited for allowing an illegal sign to remain on his or her property.
- In addition to being a nuisance, roadside signs can create a hazardous condition if they distract motorists or block sight lines.

You may remove any sign placed on your property without your permission. You may also contact the sign owner to request that a sign posted on your property be removed. If the owner will not remove the sign, please contact the Township at (610) 269-4174 to request enforcement action.

When someone places a sign on public property, at intersections or within rights-of-way, the sign is removed by our Codes Department. In addition to posing a potential hazard, these signs add visual clutter to the landscape and detract from the higher quality of life our families deserve.

Repeat offenders may be cited for violation of the Township Code.

Camp Cadet Program August 10-15

The Pennsylvania State Police are once again proud to offer "Camp Cadet," a free, week-long overnight summer camp for boys and girls ages 11 to 13 that aims to promote a positive relationship between law enforcement officials and young persons. PA State Troopers, municipal police officers and deputy sheriffs serve as camp counselors and instructors, teaching real-life law enforcement techniques to the Cadets. Throughout an action-packed week filled with hands-on activities the Cadets learn teamwork and good decision-making. Camp life is modeled after the State Police Academy, and is designed to strengthen Cadets' self-discipline, self-esteem and respect for the community. Camp Cadet is open to all Chester County residents and there's no charge! The Camp is funded by donations from charitable foundations, area businesses, local governments (including West Bradford Township) and the public. To learn more about this great opportunity, and to download an application, visit cccampcadet.org.

Did You Know? Answer

The water was delivered by siphon. The ten-inch main, which crossed the present day Brandywine Ridge subdivision, rose to an elevation about 45 feet higher than the reservoir surface, before gradually falling 125 feet to the Borough below. At its peak elevation the main employed an air valve to evacuate the line and draw water from the reservoir.

Downingtown Area Recreation Consortium

Ongoing Programs and Upcoming Events

The Downingtown Area Recreation Consortium (DARC) summer brochure was mailed mid-May. For more information on these and other DARC programs visit darcinfo.com, or call (610) 269-9260.

Sampling of Programs

- Science & Technology classes
- Aquatics Programs
- Online Education & Computer Courses
- Cooking Classes
- Fitness, First Aid & CPR Workshops
- Adult Softball & Basketball
- programs for adults, seniors, and...
- so many youth sports programs!

Quick Hits...

- Corn Hole League at Buffalo Wild Wings Grill & Bar, starts in early June.
- Annual Kickball Tournament, Sat., Aug. 2, benefits families in need, \$100 per team.
- Fun all summer long at Full-Day Camp, Teen Camp & Half-Day Playground Camp; camp locations and more information at darcinfo.com.

FRSCAPITALMANAGEMENT

THE GODDARD SCHOOL
FOR EARLY CHILDHOOD DEVELOPMENT

KEYSTONE
Municipal Services, Inc.

West Bradford
Youth Athletics

West Bradford Youth Athletics is a non-profit organization that provides sport programs for children in West Bradford Township and surrounding communities. WBVA strives to promote knowledge of the game and good sportsmanship.

- "Have-A-Go" Program – Here's a chance for children to try one or more sports before signing-up for an entire season! Golf, girls & boys lacrosse, soccer, basketball, baseball, softball and street hockey... try one or try them all. For those with little or no experience. All equipment provided. Starts in July.
- Fall Sports Registration May 26 – August 1. Soccer (ages 3 to Grade 12); Challenger Soccer for children with special needs (ages 8 to 21 years old); Little League Baseball and Softball (ages 8 to Grade 12).
- Golf Program – More instruction and all the fun! Located close to home at the Ingleside Golf Course.
- Buy-a-Brick Fundraiser. Honor a friend, family, favorite coach or team by purchasing an engraved brick. All proceeds (and bricks) will help to repair the walkway at the Beacon Hill snack bar.

Visit WBVA.org for complete program information, registration details, Buy-a-Brick order forms and more. ☺

WEST BRADFORD TOWNSHIP
"Between the Brandywines"

Free Mulch Available at the Compost Site

Free mulch is available at the Compost Site at 2020 West Strasburg Road, between Lone Eagle Road and Persimmon Drive. It's a great time to beautify your landscaping, and there's no better, natural way to prevent the growth of weeds in those prized flower beds. Visit westbradford.org for the times, dates and fees for our loading service schedule. Mulch may be self-loaded at no cost. The Compost Site is open each Wednesday and Saturday from 9:00am to 2:00pm, weather permitting.

Grinder Pump Power

Does your property have a grinder pump? If yes, you know this pump will not operate when electrical power is lost. And because the pump's well stores less than a day's worth of wastewater a prolonged power outage, like the one experienced last winter, can be very problematic. Many residents have asked about installing a back-up generator that supplies power to the pump when

electricity is lost. In general, a minimum 6500W generator is required

to activate a grinder pump. The Township Codes Department can assist homeowners seeking to install a generator in their home. For permit and additional information contact Jim Lucas, Codes Director, at (610) 269-4174, or at jlucas@westbradford.org.

Summer Yard Clean-Up

No Grass Clippings or Yard Waste in Your Toter!

The disposal of grass clippings and other yard wastes in toters is prohibited by state law! The Township will not empty any toter that contains yard waste, and fines will be issued for violations. Residents are encouraged to leave clippings on their lawn, as this supports a healthier turf by returning important nutrients to the soil. Still want to bag your grass clippings? The Compost Site has been approved by the Pennsylvania Department of Environmental Protection to accept a very limited amount of clippings. Before visiting the Compost Site please check westbradford.org to see if grass is being accepted. If you see a green light, bring those clippings over! Grass clippings must be in biodegradable paper bags, or delivered "loose," such as in the back of a pick-up truck.

Due to the restricted amount of grass clippings, this service is available to residents of West Bradford and East Bradford only. Contractors working for residents are unable to dispose of grass clippings. And, as always, the Compost Site accepts leaves and brush from East and West Bradford residents and contractors. The Compost Site is open each Wednesday and Saturday from 9am to 2 pm, weather permitting. Proof of residency (a driver's license) is required to dispose of waste or to collect mulch. For fees and regulations please contact the Township at (610) 269-4174, or visit westbradford.org.

Land Development Updates

The following land development projects are now under review:

- Smith Farm: A 129 single-family home subdivision at Chestnut Lane. This subdivision will be developed pursuant to a 2009 Court-approved Settlement Agreement.
- Hirst Subdivision: A four single-family home subdivision at Telegraph Road and Marshallton-Thorndale Road.

The following land development projects are among those approved in recent years:

- Armstrong Engineers: A 10,000 sf office building at 1845 West Strasburg Road. Construction has not begun.
- Bright Glade Farm: A 63 single-family home subdivision on Glenside Road. Construction has not begun.
- Faith Community Baptist Church: A 6,331 sf addition to the existing church at 1585 Glenside Road. Construction has not begun.

- Freedom Road Village: A 1 single-family home and 12 twin home subdivision at 1440 West Strasburg Road. Construction has not begun.
- Granite & Marble World: A 25,000 sf warehouse and office building at 1401 Marshallton-Thorndale Road. Construction has not begun.
- Meadowview: A 69 townhome subdivision at the intersection at Lone Eagle Road and Chestnut Lane. Construction is underway.
- Stargazer Village at Romansville: A 95 single-family home and 39 townhome subdivision at the intersection of Stargazer Road and West Strasburg Road. Construction has not begun.
- Tattersall, Phase V: A 12 single-family home subdivision at the intersection of Whiffletree Lane and West Strasburg Road. Construction is underway.

All plans are available for public review at the Township Building.

Talking Business with Goddard School

We asked Christine McNeal, Director of Education at The Goddard School, about her West Bradford business.

Q: What makes Goddard School unique?

A: The Goddard School provides a learning experience that is centered around play. We take pride in our ability to create dynamic classrooms filled with opportunities for children to explore and discover.

Q: What makes being in the Village of Marshallton so special?

A: We have embraced the image of the little red schoolhouse, and we celebrate our rich history in the community. Our playground and schoolhouse complement the Village's cozy, family-friendly atmosphere. We have a great sense of community, and our goal is for The Goddard School in Marshallton to be a home away from home.

Q: What's new at The Goddard School?

A: This September we will begin offering a full-day Kindergarten program. The program fits the needs of working parents by providing extended care hours before and after the school day. A smaller classroom size will allow teachers to spend more quality time with each child—which will permit our teachers to tailor a curriculum that meets the unique needs of each child.

LEARNING FOR FUN. LEARNING FOR LIFE.

Village News: Marshallton and Romansville Events

Marshallton

The Friends of Martin's Tavern will host an **Ice Cream Social** on Sunday, June 8, from 1 to 4pm at the Marshallton Blacksmith Shop. Activities include old-fashion ice cream making, a historic blacksmith demonstration by craftsman Ben Rohrback, and more. It's family fun for all ages. For info on this and other FOMT events visit martinstavern.org.

Romansville

The West Bradford Township Historical Commission and Chester County are the proud sponsors of a **Village Walk** in Romansville. Volunteers are needed to help serve as tour guides. Tours will be offered on the evening of Thursday, August 21. Interested folks are welcome to contact the Township Building at (610) 269-4174. Thank you!

Fighting To Protect Us— West Bradford Fire Company

The volunteers of the West Bradford Fire Company stand ready to protect our community, day and night. The Fire Company is always looking for residents who can join in their efforts to keep our Township safe. Even if you have only a few hours to share, your assistance can make a big difference.

Contact the Fire Company at (610) 696-8409, or stop by the Main Station (1305 West Strasburg Road) or the Sub Station (1387 Campus Drive) on any Thursday evening.

Too busy to lend a hand? Then write a check! Contributions are needed to help our volunteers deliver the emergency services on which our families rely. Checks payable to the West Bradford Fire Company may be sent to 1305 West Strasburg Road, West Chester, PA 19382. Thank you!
