

*Do you want to keep West Bradford the nicest community in PA? Here is a perfect opportunity!*

In recognition of Earth Day, West Bradford Township will be sponsoring roadside cleanups beginning in April and continuing as long as interest remains.

If you have a particular road in mind and can gather up a few hands, here is how we can partner together:

1. We will need the name of the roadway or park you want to tackle, the number of people participating, as well as the date and time of proposed cleanup.
  - a. This effort must remain focused on Township owned and maintained roadways as Penn DOT roadways are not within our jurisdiction.
2. Safety is a primary concern so the Township will provide:
  - a. Gloves for all volunteers
  - b. Safety vests
  - c. Clear heavy duty plastic bags
  - d. Roadside signage alerting travelers to litter crews
3. Once you have registered with the Township, we will have a designated pick up and drop off location at our main campus for supplies.
4. When the bags are full, they may be left along the roadside or park at the cleanup location. The Township will collect the bags when cleanup is completed.
5. If you find any tires, simply place them along the roadside and we will collect those as well.

Give us a call at 610-269-4174 or email [phenrichon@westbradford.org](mailto:phenrichon@westbradford.org)
